RESOURCE BUNDLE ACTIVITY INSTRUCTIONS

START ZONE: THE GOSPEL – LESSON OPENER (5 MINUTES)

OPTION 1: BIRTHDAY GIFT BOX

WHAT YOU'LL NEED: Inexpensive birthday gift for each child who has a birthday in the current month, wrapped gift box containing one of the birthday gifts (for the child whose birthday is closest to current date)

OPTIONAL: Continue this pattern for the club year. Offer this same gift to all T&T™ kids during their birthday month.

ACTIVITY:

STEP 1: Hold up the gift box and ask all the kids who have a birthday in the current month to stand. Find out which child has the closest birthday to the date of today's club meeting and ask him or her to come forward to receive the gift. (If no kids have a birthday in the current month, call out the next month. Keep naming months until kids stand.)

STEP 2: Before you hand the gift to the T&T kid, say, "I changed my mind. In order to have this gift, you need to do a chore for me." Name a tedious chore, such as vacuuming or sweeping the floor, wiping all the tables, or washing the windows. Watch the child's face, and ask, "Do you still want the gift, even though you have to work for it and you don't know what it is?"

STEP 3: After the child responds, tell the child you are just joking about the chore and that you will give him or her, as well as the other kids with birthdays in the same month, a gift at the end of T&T that day. Ask these questions:

To the child who came forward:

A. How did you feel when I said you had to work to get the gift? Why did you feel that way?

To all T&T kids:

A. Remember your last birthday or Christmas gift. Did you have to work for that gift? Why not?

B. What is a gift? Is it still a gift if you have to work for it? Why not?

STEP 4: In your own words, say, "A gift is something someone gives us out of kindness or love. They don't expect us to work for the gift or be good enough to have it. They don't expect us to give them something in return."

Today we're going to talk about a gift that God gives us, and it's the best gift of all."

STEP 5: Open in prayer, asking the Holy Spirit to guide you and the kids into God's truth through the lesson. Transition to main lesson.

START ZONE: THE GOSPEL – MAIN LESSON (10 MINUTES)

OPTION 1: GOOD OR BAD LIST?

WHAT YOU'LL NEED: Bible bookmarked at Genesis 1 and Ephesians 2:8-9, whiteboard with dry erase markers and eraser

LESSON PREP: Start two lists on the board. Title the first list “God’s Good People List” and the second list “In Big Trouble List.”

ACTIVITY:

STEP 1: Since some of your kids may have no church or Bible background, begin by introducing them to God and the Bible. Open your Bible to Genesis 1 and use your own words to share these key concepts:

- God was alive before anyone or anything else. God created the whole universe and everything in it, including us. The word *created* means “made from nothing.”
- God is good, and everything He made was good. That means that there was nothing wrong with anything He created, including the first two humans He created.
- (Hold up your Bible for this point.) The Bible is God’s special book. We’ll learn more about the Bible next week, but you need to know that in the Bible God talks to us and tells us about Himself.

STEP 2: Write the names Adam and Eve in the God’s Good People List. Explain that Adam and Eve were the first humans created by God. They were created to be like God in many ways, and they were sinlessly good, at first, meaning they hadn’t sinned. (Help kids understand that sin is anything we think, say, or do that disobeys God. Sin can also be those good things that God wants us to do that we don’t do, like helping someone in need.) But God gave them freedom to make choices for themselves. One day they made a very bad choice! Ask these questions and let the kids respond:

- Does anyone know what Adam and Eve chose to do? (See Genesis 3, if needed.)
- Was what Adam and Eve did a sin? Why?
- What is sin?

STEP 3: Erase Adam and Eve’s names from the first list and move them to the In Big Trouble List. Explain that as soon as Adam and Eve sinned, they got in big trouble with God, so now you are moving their names from the God’s Good People List to the In Big Trouble List. Ask the kids these questions:

- Have you ever gotten in big trouble for disobeying your parent, a teacher, or someone else? What happened?
- Does anyone know the big trouble that happened to Adam and Eve?

STEP 4: Explain that Adam and Eve had to leave the beautiful garden where God walked and talked with them. They also got the worst punishment that people could ever get: DEATH! Write the word *DEATH* in capital letters above or below the In Big Trouble List. Explain that sin is so serious to God that He said the punishment for sin is death. It’s very sad because Adam and Eve lived for many years, and then they died. Sadder than that, all the people who lived after Adam and Eve died too, because they were related to Adam and Eve and they were sinners too.

Add several random Bible character names to the In Big Trouble List (except Enoch and Elijah who may not have died; see Genesis 5:24 and 2 Kings 2:11).

STEP 5: Point to the God’s Good People List and say that any person on this list would get the reward of LIFE forever with God in heaven. Write the word *LIFE* in capital letters above or below the list. Then explain that since Adam and Eve first sinned, no human has ever been good enough to make the list, because all humans are born as sinners and all humans sin. And that includes us!

Add general name categories like T&T kids and T&T leaders to the In Big Trouble List. Explain that because of our sin, we all deserve death, like Adam and Eve, and there’s nothing we can do to get ourselves out of this punishment.

STEP 6: In your own words, say, “But I have some good news, kids! God still loved Adam and Eve, and all of us who are sinners. He didn’t want us to die and miss out on life forever with Him in heaven, so He gave us a big gift. He made a way to save us from the punishment for our sin!”

Write the name Jesus Christ in the God’s Good People List. Explain that God sent His Son, Jesus Christ, down from

heaven to become a man (who was also God). Jesus Christ lived on earth like us, but He never sinned. He is the only person who is good enough to be on this list. He didn't deserve to be punished, but He let people kill Him by nailing Him to a cross. Jesus took the punishment of death FOR us, so that we don't have to be punished for our sin! Then Jesus Christ didn't stay dead. After three days in a tomb, He came alive again. He went back up to heaven, and He's there now.

STEP 7: Open your Bible to Ephesians 2:8-9. Tell kids that they will be learning and memorizing words from the Bible in T&T, and the first words to learn are from Ephesians 2:8-9. Read the verses from your Bible, and then read them again slowly in phrases, letting the kids repeat each phrase after you. Write the word *GRACE* in capital letters on the board somewhere. Share these key concepts:

- A. The Bible uses the word *grace* a lot. Grace means giving somebody something good that he or she doesn't deserve. God has shown us a lot of grace! He loves us and gives us kindness and gifts that we don't deserve.
- B. God's most amazing gift to us is Jesus! If you and I believe that Jesus Christ is the Son of God and trust that His death was the punishment we deserve for our sin, then we will be saved from that punishment, and we will live forever with Jesus in heaven.
- C. Remember, we said that a gift is something we don't have to work for or be good enough for; someone gives it to us out of kindness and love. We didn't deserve the gift of Jesus; we deserved to be punished for our sin. But because of God's grace, He gave us Jesus so we could be saved.

OPTION 2: GIFT PICTURES

WHAT YOU’LL NEED: Sheet of paper for each kid, colored markers or crayons

STEP 1: As you are handing out paper and markers or crayons, tell the kids to think about their favorite birthday or Christmas gifts. Direct kids to each draw a picture on the paper of the best gift they have ever received.

STEP 2: After a few minutes, let several kids share about their pictures. Ask these questions:

- A. Who gave the gift to you?
- B. Did any of you have to work for your gift or be good enough to get it? Why not?
- C. What is a gift? Is it still a gift if you have to work for it? Why not?

STEP 3: Wrap up the discussion by saying in your own words, “A gift is something someone gives us out of kindness or love. They don’t expect us to work for the gift or be good enough to have it. They don’t expect us to give them something in return. Today we’re going to talk about a gift that God gives us, and it’s the best gift of all.”

OPTION 2: GOSPEL POWERPOINT

WHAT YOU'LL NEED: Gospel PowerPoint® (Resource Bundle), computer, digital projector, screen or bare wall

STEP 1: Present the Gospel PowerPoint. Your kids will hear a clear gospel presentation using engaging visuals and the Gospel Wheel.

STEP 2: After the PowerPoint, open your Bible to Ephesians 2:8-9. Tell kids that they will be learning and memorizing words from the Bible in T&T, and the first words to learn are from Ephesians 2:8-9. Read the verse from your Bible, and then read it again slowly in phrases, letting the kids repeat each phrase after you. Write the word *GRACE* in capital letters on the board somewhere. Share these key concepts:

- A. The Bible uses the word *grace* a lot. Grace means giving somebody something good that he or she doesn't deserve. God has shown us a lot of grace! He loves us and gives us kindness and gifts that we don't deserve.

START ZONE: BIBLE BASICS – LESSON OPENER (5 MINUTES)

OPTION 1: NOTE EXCHANGE

WHAT YOU'LL NEED: Pencils or pens, small sheets of paper, container for notes, Bible

STEP 1: Direct the kids to each write their name and a short note on the paper sharing something about themselves or something they think is very important for another kid to know or remember, such as advice they want to give related to the topic of school, family, friends, sports, T&T club, or their faith. The tone could be funny or serious. Give the kids a few minutes to compose the note.

STEP 2: Tell the kids to fold the note and write From: followed by their name on the blank, folded-over portion. Collect all the notes and place them in a container. Then pass the container around to the leaders and let each leader pull out a note.

STEP 3: Give the leaders a minute to read their notes. Let a few volunteers share the message on their notes.

STEP 4: Explain that sometimes we talk to each other with our mouths, and other times we talk by writing words on a paper. Receiving a note from someone is just as important as what the person says to you out loud, but you might remember the words more if they are written down because you can read them over and over again.

STEP 5: Hold up your Bible and tell kids to think of the Bible as a very long note from God to us. Then share these key concepts:

- A. In the Bible, God tells us who He is and why He created us. He tells us about ourselves and what the punishment is for our sin. He tells us about His Son, Jesus Christ, who took the punishment for our sin so we could live forever with God.
- B. God's words in the Bible are just as important as if He said them out loud and right to our face. We need to listen to them and obey!
- C. We can read His words to us over and over again so we remember them always.

STEP 6: Tell the kids that they will be learning more about God's Word, the Bible, today. Open in prayer, asking the Holy Spirit to guide you and the kids into a deeper love for God and His Word through the lesson. Transition to main lesson.

START ZONE: BIBLE BASICS – MAIN LESSON (10 MINUTES)

OPTION 1: BIBLE FACTS SCROLLS

WHAT YOU'LL NEED: Bible bookmarked at 2 Timothy 3:16 and Romans 10:17; Facts for Bible Scrolls sheet (Resource Bundle); scissors; glue stick or tape; seven paper rectangles of the same size (cut from white paper or brown paper bags); chopsticks, craft sticks, or dowels; string or rubber bands; picture of a Bible scroll (Resource Bundle); map of Bible lands in Jesus' time (Resource Bundle)

LEADER PREP: Beforehand, print out the Facts for Bible Scrolls sheet. Cut out each fact. Then make scrolls by cutting out seven paper rectangles of the same size. The rectangles should be large enough to contain a fact. (To add an ancient look to your scrolls, cut the rectangles from the unprinted sides of brown paper bags. Scrunch up the brown paper and smooth it out with your hands or a rolling pin. Repeat this scrunching and smoothing process several times until wrinkles cover much of the paper.) Glue or tape one Bible fact to the center of each rectangle. Then lay a chopstick, craft stick, or dowel along both of the short ends of each rectangle. Tape or glue them in place and let glue dry. Next, roll the paper once or twice around the chopsticks, craft sticks, or dowels so they are covered completely and tape or glue the paper in place and let glue dry. Gently roll the ends of the scroll to the center from both sides and secure with a string or rubber band. Number the scrolls (to correspond to the fact number inside each scroll), hide them around your room, and write a clue for finding each scroll. For example, a clue could be that the scroll is sitting up high or behind something blue. (To save time, you could skip the clues and let the group, or a selected smaller group, search for all the scrolls at once.)

ACTIVITY:

STEP 1: Hold up your Bible and explain that the Bible did not always look like the book it is now. It was first written a long time ago on scrolls. It took many scrolls to contain all the words of the Bible. The scrolls had to be unrolled to read what was written on them.

Hold up the picture of a real Bible scroll. Explain that the paper in the scrolls was not like our paper today. It was either made from animal skins or papyrus plants, which grew by the Nile River in Egypt.

STEP 2: Tell the kids that you have made and hidden little scrolls around the room. Inside each scroll they will find and read one or two facts about the Bible. All these facts will help them see that the Bible is a very special book. There is no other book like the Bible! Give the first clue and choose a kid to find the first scroll. Unroll the scroll and discuss the fact on it. Give the second clue and choose another child to find the second scroll. Unroll the scroll and discuss the fact on it. Continue in this pattern until all the scrolls are found. Here are the facts written on the scrolls, with explanations.

1. The Bible is divided into two large parts, the Old Testament and the New Testament. Explain that the Old Testament starts with God telling us about His creation of the world and the first people, Adam and Eve, who sinned in the garden. In the Old Testament, God speaks of His promise to send a Savior to save people from sin, and we hear true stories of the people who were waiting for the Savior to come. In the New Testament, God tells us of His Son, Jesus Christ, the Savior, who came to save people from sin. We hear true stories of people whose lives were changed after they trusted Jesus as their Savior. We also learn how we should live our lives each day.
2. The testaments are divided into smaller sections called books. There are 39 books in the Old Testament and 27 books in the New Testament. Use your Bible to show the kids some of the books from the Old and New Testaments.
3. Most of the true stories of the Bible take place in or near the land of Israel. Show the map of Bible lands and point out Israel and some of the other surrounding countries. Emphasize that the Bible tells us about real places and real people who really lived. The Bible is not make-believe!
4. God used at least 40 different men to write the Bible. These men lived at different times and in different places. Some were rich; others were poor. Some had gone to school; others had never gone to school. Some of the different jobs the writers had were king, farmer, fisherman, doctor, shepherd, priest, government leader, and many more.
5. It took over 1,500 years for the whole Bible to be written.
6. The Bible was first written in three languages: Hebrew, Greek, and Aramaic. Point to the Greek and Hebrew words on the fact sheet. Explain that today there are

RESOURCE BUNDLE ACTIVITY INSTRUCTIONS

START ZONE: BIBLE BASICS – MAIN LESSON (10 MINUTES)

Bibles in more than a thousand different languages!
People all over the world can read the Bible.

7. The first book ever printed was the Bible, and more Bibles have been printed than any other book.

STEP 3: Open your Bible to 2 Timothy 3:16 and read the verse to the kids. Explain that Scripture is another name for the Bible, and ask them to tell you what they think it means that the Bible *is breathed out by God*. Let them suggest various ideas.

STEP 4: Explain that *breathed out by God* means that all the words of the Bible came from God, but He didn't actually breathe them out like you or I take a breath to speak. And He didn't write them in the way you or I sit down to write a note or a letter. Rather, God chose at least 40 different men to write the Bible. The Holy Spirit of God told those men what He wanted them to write and they wrote down the words exactly the way God wanted them to, without any mistakes or errors. These men didn't all get the message from God at the same time. It took many years for God to give His message to all the men He chose to write it.

Summarize that the Bible is one big book but it is divided into 66 smaller books, written by many different men. There is no other book that *is breathed out by God* like the Bible is! The Bible is a special book.

STEP 5: Open your Bible to Romans 10:17 and read the memory verse aloud once. Then read it again and let the kids recite it with you as you read. Explain that though the Bible has 66 books, there is one BIG message from God in the Bible. The big message of the whole Bible is the good news about our Savior, Jesus Christ. This is *the word of Christ* that Romans 10:17 tells us about. Faith is what happens when we hear and believe in what Jesus Christ did to save us from sin.

OPTION 2:

LETTER FROM A PASTOR OR AWANA MINISTRY DIRECTOR

WHAT YOU'LL NEED: One-page letter written by your church pastor, Awana ministry director, or another person your kids respect

LEADER PREP: Beforehand, ask your pastor, Awana ministry director or another respected person to write a short letter to your kids sharing a few interesting things about himself or herself (hobbies, family background, details about when they were the kids' age, or when they trusted Christ as Savior). The person should also include some advice or words of encouragement to the kids related to the club year and their faith.

STEP 1: Read the letter to your kids and ask them what they learned about the person from the letter and what words they want to remember from the letter.

STEP 2: Then explain that the person could not be with your club in person today, but these are the words the person wanted to say to us, and his or her written words are just as important as if the person were here to speak the words out loud to us.

Finally, hold up your Bible and tell the kids to think of the Bible as a very long letter from God to us. Share these key concepts:

- A. In the Bible, God tells us who He is and why He created us. He tells us about ourselves and what the punishment is for our sin. He tells us about His Son, Jesus Christ, who took the punishment for our sin so we could live forever with God.

OPTION 2: MOSES INTERVIEW

WHAT YOU'LL NEED: Bible bookmarked to 2 Timothy 3:16-17 and Romans 10:17, Bible Facts Fill-in-the-Blanks worksheet (Resource Bundle), adult leader to play the role of Moses, optional Moses costume and props (robe, white-haired wig, staff, etc.)

LEADER PREP: Beforehand, choose an adult male leader to pretend to be Moses. For fun, he can wear a robe and white-haired wig and carry a staff.

STEP 1: To start the discussion, open your Bible to 2 Timothy 3:16-17 and read it to the kids. Explain that Scripture is another name for the Bible, and ask them to tell you what they think it means that the Bible *is breathed out by God*. Let them suggest various ideas.

STEP 2: After some discussion, explain that *breathed out by God* means that all the words of the Bible came from God, but He didn't actually breathe them out like you or I take a breath to speak. These men didn't all get the message from God at the same time. It took many years for God to give His message to all the men He chose to write it.

STEP 3: Introduce Moses as a special visitor. Explain that a long, long time ago, Moses wrote the first five books in the Old Testament. Ask Moses to share and explain each of the Bible facts.

1. The Bible is divided into two large parts, the Old Testament and the New Testament. Explain that the Old Testament starts with God telling us about His creation of the world and the first people, Adam and Eve, who sinned in the garden. In the Old Testament, God speaks of His promise to send a Savior to save people from sin, and we hear true stories of the people who were waiting for the Savior to come. 7. The first book ever printed was the Bible; and more Bibles have been printed than any other book.

Kids can fill in the blanks on their worksheets as they listen carefully.

STEP 4: After Moses finishes his presentation, open your Bible to Romans 10:17 and read the memory verse aloud once. Then read it again and let the kids recite it with you as you read. Explain that though the Bible has 66 books, there is one BIG message from God in the Bible. The big message of the whole Bible is the good news about our Savior, Jesus Christ. This is *the word of Christ* that Romans 10:17 tells us about. Faith is what happens when we hear and believe in what Jesus Christ did to save us from sin.

God Is Trustworthy

Introduction Activity (5 Minutes)

Option 1: Trusty Structure

What You'll Need: Tables, gumdrop candy or marshmallows (avoid any allergies in your group), toothpicks, spiral notebook, plastic cup, pitcher, water, paper towels

(Leader's Note: Larger clubs may choose to have only a few kids do this at the front of the room while others watch, or have the kids divide into smaller groups to complete the activity.)

PREP: Set up one or two tables in the front of the classroom. Place the candy or marshmallows, toothpicks, notebooks, and plastic cup on the table. Fill the pitcher with water and place on the table. Place the paper towels nearby.

STEP 1: Have kids work in groups of two or three. Give each pair or group 20 to 30 toothpicks and 30 to 40 gumdrops or marshmallows. Give groups two minutes to build a structure that will support the weight of a notebook and a plastic cup with water.

STEP 2: After two minutes, have leaders test the structures by placing a notebook on them and then placing a cup on the notebook. For the structures that stand, slowly add water to each cup to test the structure's reliability.

After you have completed the activity, ask the following questions:

- What challenges did you face during this activity?
- How would you rate the trustworthiness of your structures?
- Would you trust any of these structures to hold a two liter of your favorite soda? Why or why not?

STEP 3: Share these key concepts:

- When we discover that something has let us down or is no longer reliable, we sometimes get discouraged or have a hard time wanting to use that item again.
- Things in this world will fall apart or go bad. People will make mistakes and sometimes let us down.

- Only God is completely trustworthy. He deserves our trust and confidence.

STEP 4: Transition into the main lesson by opening in prayer, asking the Holy Spirit to help you and your kids understand the importance that God is trustworthy.

What You'll Need: Nothing

PREP: Nothing

STEP 1: Ask each of the following questions and if space allows, consider having children answer the question by going to a side of the room based on their response. For example, left side of the room is "sushi" and right side of the room is "gum."

Would you rather eat sushi 10 days past its expiration date or chew pre-chewed gum found on a New York City subway?

Would you rather drink a tablespoon of pond water or 10-year-old bottle of expired soda?

Would you rather eat sardines every day for one week or always use the same fork, spoon, and knife used by every person in a local restaurant—without being washed?

Would you rather cross an ocean in an inflatable raft or fly across the continent in an airplane that had been in a crash?

STEP 2: Ask the following questions:

- Why would it be hard to trust eating, drinking, or traveling in these things?
- Why do these choices gross us out or make us nervous when we think about them?
- What are some reasons we wouldn't trust eating, drinking, or using these items?

STEP 3: Share these key concepts:

- When we believe something will make us sick or that something is unreliable to use, we cannot trust it. We want to avoid those item at all costs.
- Things in this world will fall apart or go bad, and we have a hard time trusting something that we think could cause us harm or put us in a difficult situation.
- Only God is completely trustworthy. He deserves our trust and confidence.

STEP 4: Transition into the main lesson by opening in prayer, asking the Holy Spirit to help you and your kids understand the importance that God is trustworthy.

God Is Trustworthy

Main Lesson Activity (10 Minutes)

Option 1: God's Trustworthiness in Dark Times

What You'll Need: Bible

(Leader's Note: Larger clubs may choose to have only a few kids do this at the front of the class while others watch, or have the kids divide into smaller groups to complete the activity.)

PREP: Ahead of time, ask two leaders to be ready to summarize the following true stories from the Bible, highlighting the fact that God is trustworthy: Shadrach, Meshach, and Abednego (Daniel 3), and David and Goliath (1 Samuel 17).

STEP 1: Divide the kids into two groups (split the room in half). Assign each group to one of the leaders mentioned above. Have that leader briefly share the true story from the Bible of how the individuals in the story trusted God during their difficult times. Then have the kids work together to act out the story.

STEP 2: After three minutes, have each group act out the story in front of the other group. Encourage the other group to try to guess how God was trustworthy in each scenario.

Share these concepts:

- The people in each of these stories faced a scary situation that they had no control over. Their lives were in danger, and there was no other person around them who would help.
- They all chose to trust in God. They believed that no matter what the outcome would be, God was with them. They knew they could trust in Him.
- God proved He is trustworthy. God was with them through their trials, and they all had peace knowing that God would never leave them.

STEP 3: Read or recite this week's memory verse, Psalm 9:10. Repeat the verse a second time, pausing after each phrase.

Share these concepts:

- Our memory verse this week reminds us that we must know God in order to put our trust in Him. We must have a relationship with Him by trusting in Jesus as our Savior.

- We have to choose to trust God, even when it isn't easy. Trusting God means that we believe God is completely reliable and worthy of our trust.
- We can take comfort in knowing that God will not forsake, or leave forever, those who seek after Him. That means that if we choose to trust in God and follow Him, He will always be with us.

Step 4: Tell kids that we can praise God for being trustworthy. Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.

Option 2: Promises of Trust

What You'll Need: Bibles, blank paper, markers or colored pencils

(Leader's Note: Larger clubs may divide into smaller groups to complete the activity.)

PREP: Gather four Bibles and bookmark each Bible to one of the following passages: Psalm 18:2, Psalm 46:1, Psalm 62:8, Isaiah 26:4.

STEP 1: Distribute blank paper and markers or colored pencils to each kid. Give kids one minute to write or draw a picture of something in their lives that they are struggling with (e.g., friendships at school, getting along with their siblings or their parents, a sickness in their family). When they are done, have them turn their pages over.

STEP 2: Read or recite this week's memory verse, Psalm 9:10. Repeat the verse a second time, pausing after each phrase.

Share these concepts:

- Our memory verse this week reminds us that we must know God to put our trust in Him. We must have a relationship with Him by trusting in Jesus as our Savior.
- We should choose to trust God, even when it isn't easy. Trusting God means that we believe God is completely reliable and worthy of our trust.
- We can take comfort in knowing that God will not forsake, or leave forever, those who seek after Him. That means that if we choose to trust in God and follow Him, He will always be with us..

STEP 3: Ask for four volunteers who are comfortable reading out loud. Give each of them one of the bookmarked Bibles. On the back of their paper, encourage kids to create a mural of the descriptions of God that they hear in the following verses. Ask the first kid to read the verse aloud. Then ask the following questions:

- How is God described in this verse? (Be ready to explain any terms they kids may not be familiar with.)
- How does that description of God cause you to want to trust Him?

STEP 4: Continue the activity until each verse has been read. Then ask kids to reveal their murals to one another and explain their drawings.

Share these key concepts:

- These verses show us how powerful and mighty our great God is.
- No matter what situations we may face, we can trust our mighty God to always be with us.
- We can have peace knowing that our God is completely reliable to encourage and strengthen us each day.

STEP 5: Have kids turn their papers back over. Encourage kids to pray quietly, thanking God that He is trustworthy and asking Him to be with them through thier struggle. After several moments, pray and ask God to give each of the kids His promised peace in these situations.

STEP 6: Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.

God Is Loving

Introduction Activity (5 Minutes)

Option 1: Displays of Love

What You'll Need: Laundry basket, clothes, board game or video game or controller, plastic tableware, table, two chairs, trash can, doll

PREP: Ask two leaders to improvise several different scenarios.

Set up a table and two tables in front of the class. Place the props listed above nearby.

STEP 1: Ask the two leaders you have chosen to stand near the table. As time allows, read several of the following scenarios out loud, and give the leaders 30 seconds to improvise the scenarios, using the props provided, as kids who do not display love.

Your mom asks you to take out the trash for the THIRD time.

Your dad reminds you AGAIN to clean your room and put your laundry in the basket.

Your dad interrupts your free time to have you help him with yard work.

Your mom asks you to watch your crying baby cousin for a few minutes.

It's your sister's turn to set the table, but she is busy doing homework, so you have to do it.

STEP 2: After two minutes, ask a few children to repeat two or three scenarios, this time displaying love. Then ask the following questions:

- How did a loving attitude change the perspective of the person in the scenario?
- What are other ways we demonstrate love?

STEP 3: Share these key concepts:

- Loving someone else is often displayed as a selfless act on our part.
- There are times when it is hard to show love to someone, especially if we are busy or if they have hurt us or let us down.

- God displayed His love for us in a big way, even when we were broken and helpless and didn't deserve it. He always displays His love for us — it is constant.

STEP 4: Transition into the main lesson by opening in prayer, asking the Holy Spirit to help you and your kids understand the importance that God is loving.

Option 2: Everyone Loves a Party

What You'll Need: Party supplies and decorations, red construction paper, scissors, tape, markers, snacks, drinks, table, plastic tableware, napkins

PREP: Decorate your classroom with party supplies that represent love (e.g., hearts, red balloons). Prepare simple snacks and drinks.

Make hearts out of red construction paper, cut them out, and lay them on a table with the tape and markers nearby.

STEP 1: Welcome kids to the "Everyone Loves a Party" celebration. As kids enjoy the snacks, ask them to write on a heart something someone did to show them love. After they have written their responses, encourage them to tape the hearts around the room.

STEP 2: After three minutes, read some of the responses.

Then ask the following questions:

- How do these actions display love?
- What are some other ways people demonstrate love?
- Why is it sometimes hard to show someone we love them?

STEP 3: Share these key concepts:

- There are different types of love. We love and care about our friends, but probably not in the same way we love or care about our family.
- There are times when it is hard to love someone, especially if they have hurt us or let us down.
- God's love for us is constant. There will never be a time when He doesn't love us.

God Is Loving

Main Lesson Activity (10 Minutes)

Option 1: Love in Action

What You'll Need: Bible

PREP: Nothing

STEP 1: Play a game to help your kids learn about God's limitless, amazing love. Have kids spread out and stand against one wall in the classroom. Open your Bible and read or recite this week's memory verses, Romans 8:38-39, using the following motions for the words:

Death (Make a grotesque face with eyes closed.)

Life (Open eyes wide.)

Angels (Flap arms like wings.)

Rulers (Mimic a crown.)

Things present (Jump in place.)

Things to come (Jump two steps forward.)

Powers (Make a "strong man" motion.)

Height (Try to touch the ceiling.)

Depth (Drop down to the floor.)

Have kids repeat the verses two times with you slowly so that they can learn the actions of the verses.

STEP 2: Call out words from the list above in random order, getting faster and faster each time you say a word or phrase.

STEP 3: After two or three minutes, have kids repeat the verses together with the motions.

Share these key concepts:

- From the beginning, God established a loving, personal relationship with the first man and woman, Adam and Eve (Genesis 1:27-3:8).
- When Adam and Eve sinned, their relationship with God was broken, and sin also breaks our relationship with God (Romans 5:12).
- God's greatest display of love to us was sending His Son, Jesus, to die on the cross and take the punishment for sin in our place (Romans 5:8).

- If we trust in Jesus as Savior, our relationship with God is restored. Nothing can separate us from God's perfect, amazing love (Romans 8:38-39).

Step 4: Give kids an opportunity to talk with a leader if they have questions about fixing their relationship with God.

Step 5: Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.

God Is Loving

Main Lesson Activity (10 Minutes)

Option 2: No Separation From God's Love

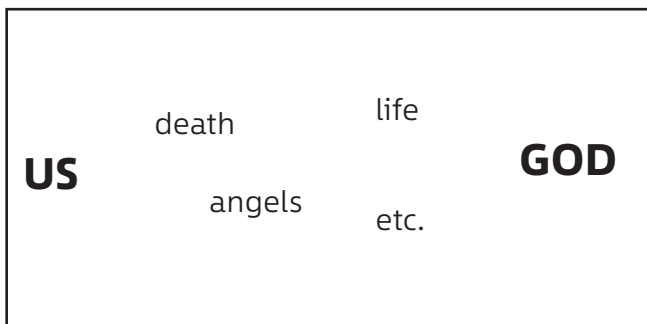

What You'll Need: Bible bookmarked to Romans 5:8, paper, tape, easel, white board or posterboard, markers

(Leader's Note: Larger clubs may choose to have only a few kids do this at the front of the room while others watch, or have the kids divide into smaller groups to complete the activity.)

PREP: Ahead of time, write each of the following words on a piece of paper:

Death, Life, Angels, Rulers, Things Present, Things to Come, Powers, Height, Depth

Write, "Us," and "God," on opposite sides of the whiteboard. Tape the words on the board so that the words are in the middle, as seen below.

STEP 1: Ask: When is it hard to love someone? Record the responses on the board.

Share these key concepts:

- There are times when it is hard to love someone, especially if they have hurt us or let us down.
- Loving someone else is often displayed as a selfless act on our part.

STEP 2: Ask a volunteer to read Romans 5:8.

Share these key concepts:

- From the beginning, God established a loving, personal relationship with the first man and woman, Adam and Eve (Genesis 1:27-3:8).

- When Adam and Eve sinned, their relationship with God was broken, and sin also breaks our relationship with God (Romans 5:12).
- God's greatest display of love to us was sending His Son, Jesus, to die on the cross and take the punishment for sin in our place (Romans 5:8).

Help kids to see that even though we struggle to love others, God loved us even when we were sinners who didn't deserve His love.

STEP 3: Explain that once we receive Jesus as Savior, our relationship with God is restored forever. We are welcomed into His family, and He becomes our Father. His love for us is unending and unconditional.

STEP 4: Open your Bible and read or recite this week's memory verses, Romans 8:38-39. Repeat the verse together, pausing after each word or phrase that describes something that cannot separate us from God's love. As you come to each word or phrase, have a volunteer reference the whiteboard with the words on it and have kids go up and remove the corresponding word.

Share these key concepts:

- God's love for us goes above and beyond our sin. Even when we do things that make it hard for others to love us, God's love is still complete and sure.
- There is Nothing. NOTHING that we could ever do that would stop God from loving us.
- There is nothing or NO ONE who could ever stop God from loving us.
- God's love is guaranteed through Jesus Christ.

STEP 5: Ask two volunteers, leaders or kids, to pray and praise God for His amazing love that He has for us.

STEP 6: Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.

God Is Faithful

Introduction Activity (5 Minutes)

Option 1: I Promise . . .

What You'll Need: Candy

NOTE: If you have children with dietary restrictions in group, consider using a small trinket such as party favor (spinning top, tattoo, pencil, etc.) instead.

PREP: Purchase individually wrapped candy, enough for one piece for each kid.

STEP 1: Tell the kids that you have been nominated as one of the best Awana leaders of the year. Because of your nomination, you promise that . . .

You will give each of them a piece of candy.

You will give each of them an A+ this year in math.

You will give each of them a million dollars.

STEP 2: Ask the following questions:

- Which of these promises could I keep?
- Which of these promises would it be impossible for me to keep? Why?
- Do you think you can trust me to keep any of these promises?

STEP 3: Give each kid a piece of candy. Then share these key concepts:

- Some people make promises that they cannot keep.
- Sometimes it's hard to trust others if we are afraid they will not keep their promises they make to us.
- God has made us promises in the Bible, and God will keep EVERY promise that He makes because our God is always faithful.

Option 2: Measure the Distance

What You'll Need: Measuring tools, (e.g., 12-inch ruler, yard stick, measuring tape, etc.), pens or pencils, paper

PREP: Gather various measuring tools. Place them near the front of the room.

STEP 1: Divide the kids into groups of two or three. Give each group a pen or pencil, paper, and a measuring tool. Encourage them to measure the following distances without leaving the room:

- One wall in the classroom to the opposite wall.
- The floor to the ceiling of the classroom.
- The ground to the roof of the building. Kids will have to go outside to do this.

STEP 2: After two minutes, have the pairs or groups share their results. Ask the following questions:

- Which of the measuring tools was easiest to use?
- Which of these measurements were you able to accurately measure?
- Why were some of the measurements difficult or impossible to take?

STEP 3: Share these key concepts:

- We can use scientific measurements to measure distance around the room, even from the ground to heights in our atmosphere and beyond. Yet humans are still limited in our understanding of great distances to our galaxy and beyond.
- Just as we cannot begin to understand the distances between us and the farthest galaxies, we will never be able to measure God's faithfulness. Psalm 36:5 says that God's faithfulness reaches to the skies. This is further than we could measure even with scientific measurements.
- Because God is faithful, He will always keep His promises.

STEP 4: Transition into the main lesson by opening in prayer, asking the Holy Spirit to help you and your kids understand the importance that God is faithful.

God Is Faithful

Main Lesson Activity (10 Minutes)

Option 1: God's Faithful Promises

What You'll Need: Four Bibles, T&T handbooks, (Optional: CD player, computer or smartphone)

PREP: Gather four Bibles and bookmark each Bible to one of the following references: Genesis 8:20-22, Genesis 9:9-13, 1 Corinthians 10:13, 1 John 1:9. Optional, Choose a favorite song about God's faithfulness and be prepared to sing it with your group.

Optional: Use a CD and CD player to play the song, or download the song and play it through your computer or smartphone.

STEP 1: Ask: What are some promises that a parent might say to their child?

Explain to kids that some promises are easy to keep, but because we are human, we will make mistakes. That means that we cannot always keep the promises that we make.

STEP 2: Read or recite this week's memory verse, Deuteronomy 7:9. Repeat the verse slowly, pausing after each phrase.

Share these key concepts:

- Because God is God, He will always keep His covenant, or promises, that He makes.
- God will ALWAYS keep His promises and His steadfast love to those who love and obey Him.
- God will faithfully keep His promises for generations and generations.

STEP 3: Explain to kids that God has given us many different promises in the Bible. Ask a volunteer to read Genesis 8:20-22. Encourage kids to identify the promise God made in these verses. (Seasons would continue in their pattern.)

Ask another volunteer to read Genesis 9:9-13. Encourage kids to identify the promise God made in these verses. (God promised to never again flood the whole earth.)

Step 4: Share these key concepts:

- There has never been a world-wide flood since the time of Noah.
- The seasons always continue in their order: spring, summer, fall, and winter. We can plan accordingly based on the seasons.

Step 5: Tell kids that we can trust that God is faithful because of the promises in the Bible that have come true. This means that we can trust God to be faithful to keep the promises that He has made to you and to me.

Have kids turn to section 1.3 in their handbooks. Encourage volunteers to read the following verses: 1 John 1:9 and 1 Corinthians 10:13.

Ask kids to identify the ways that God keeps His promises to us today. (He forgives our sin, He is with us when we are tempted.)

Share these key concepts:

- God is still faithful, even when we make mistakes.
- We can always trust Him, no matter what.
- We show our faithfulness to God when we seek after Him and follow His plan for our lives.

Step 6: Tell kids that we can praise God for being faithful. End the lesson by singing together a song about God's faithfulness (e.g., "Great Is Thy Faithfulness" or "You Are Faithful.").

Step 7: Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.

Main Lesson Activity (10 Minutes)

Option 2: Snapshots of a Faithful God

What You'll Need: Bibles, blank card stock paper; pens, colored pencils, or markers

(Leader's Note: Larger clubs may divide into smaller groups to complete the activity.)

PREP: Ask several leaders to be ready to share (for up to one minute only) with the kids the following examples of God's faithfulness in the life of Abraham, highlighting God's promises to Abraham: God leading Abraham to a new land (Genesis 12:1-3); God promising Abraham a son (Genesis 15:5-6); God giving Abraham and Sarah a baby when they were old (Genesis 21:1-3). Create three "God Is Faithful" 8.5"x11" card stock pages to use in the group comic strip.

STEP 1: Read or recite this week's memory verse, Deuteronomy 7:9. Read the verse again slowly, after each phrase.

Share these key concepts:

- Because God is God, He will always keep His covenant, or His promises, that He makes.
- God will ALWAYS keep His promises, and His steadfast love to those who love and obey Him.
- God will faithfully keep His promises for generations and generations.

STEP 2: Divide the kids into three groups. Give each group a piece of card stock paper, pens or pencils, and colored pencils or markers. Ask the leaders in each group to briefly summarize their verses and highlight God's promises to Abraham in those passages. Encourage the kids in each group to work together to draw snapshots of God's promises to Abraham.

STEP 3: After five minutes, ask the first group (Genesis 12:1-3) to share their snapshots.

Share these key concepts:

- God called Abraham away from his family and his homeland.
- Abraham obeyed God, and God blessed Abraham with great wealth and land.

After the group shares their snapshot, have them post their picture at the front of the room, followed by a "God Is Faithful" card stock page.

STEP 4: Ask the second group (Genesis 15:5-6) to share their snapshots.

Share these key concepts:

- God promised Abraham that many nations would come from Abraham's own children.
- Even though Abraham did not have any children yet, he believed God would keep His promises.

After the group shares their snapshot, have them post their picture at the front of the room, followed by a "God Is Faithful" card stock page.

STEP 5: Ask the third group (Genesis 21:1-3) to share their snapshots.

Share these key concepts:

- Years passed, and Abraham doubted God's Word. Yet even when He disobeyed, God was still faithful to Abraham. When Abraham and Sarah were very, very old, God gave them a son, Isaac.
- From Isaac came the Israelite nation. This nation was God's special nation, and through the generations of this nation, Jesus came.
- God kept His promise to Abraham, even though it took a long, long time.
- When we see that God kept His promises to people in the Bible, we can trust that He will be faithful and keep His promises to us.

After the group shares their snapshot, have them post their picture at the front of the room, followed by the final "God Is Faithful" card stock page.

God Is Patient

Introduction Activity (5 Minutes)

Option 1: Plastic-Wrapped Patience

What You'll Need: Plastic wrap, inexpensive prizes

(Leader's Note: Larger clubs may choose to have only a few kids do this at the front of the room while others watch, or have the kids divide into smaller groups to complete the activity.)

PREP: Purchase inexpensive prizes (e.g., candy bars, gum, flashlights, carabiners, small container of slime, fast food gift card, Awana shares, etc.). Plan for one or two prizes per kid. Make a ball out of the plastic wrap and prizes. Wad a one-foot piece of plastic wrap into a ball. Lay one of the prizes on the plastic wrap ball and wrap the plastic wrap around the ball and plastic wad several times. Continue adding prizes onto the plastic wrap ball and then adding more plastic wrap until all the prizes have been wrapped tightly inside the plastic wrap. Prepare one plastic wrapped ball for every four to six kids in your club.

STEP 1: Arrange four to six kids in a circle. Show kids the prize balls and share with kids a few of the prizes inside. Give the first kid the ball. At your signal, the kid holding the ball must begin to unwrap the ball to reach a prize. Once the kid reaches a prize, have him or her pass it to the kid to the left.

STEP 2: If kids have not reached all the prizes, stop the activity after two minutes.

Then ask the following questions:

- On a scale from 1-5, with 1 being super impatient and 5 being calm, show by lifting your fingers in the air how you felt while you waited your turn?
- On a scale from 1-5, with 1 being super impatient and 5 being calm, show same as above how you felt when others received a prize you would have liked?
- Why was it hard to be patient in this activity?

STEP 3: Share these key concepts:

- We have all faced times when we have had to wait.
- We often struggle with patience, and it is easy for us to become frustrated and even angry if we are kept waiting or if we must wait our turn while we see others having fun.

- Our great God is patient. He is never in a hurry, and He is also never late.

Option 2: Draw Your Emoji

What You'll Need: Blank paper, yellow, blue, and black markers or colored pencils

PREP: Nothing

STEP 1: Give each kid a piece of paper. Place markers or colored pencils nearby. Explain that you will read scenarios that kids their age might face. Encourage them to draw an emoji based on what their facial expressions would be in that situation.

Someone gives you a can of your favorite soda.

You and your family wait for 10 minutes in a fast food drive thru, and they STILL get your order wrong.

Your dad is late picking you up from soccer practice.

Your mom made your favorite meal for dinner.

You have no homework over a weekend.

You have a lot of homework over a weekend.

Your batteries in your gaming remote die and you are in the middle of a battle.

You get to spend all day playing games.

Your Internet is slow or drops in the middle of a favorite video.

STEP 2: Ask kids to compare their emojis. Then ask the following questions:

- Which scenarios caused happy emojis?
- Which scenarios caused frustrated or mad emojis?
- Based on your emojis, how do you respond when situations do not go as you planned?

STEP 3: Share these key concepts:

- We have all faced times when we have had to wait.
- We often struggle with patience, and it is easy for us to become frustrated and even angry if we are kept waiting or if we must wait our turn while we see others having fun.

Option 1: Character Roles

What You'll Need: Three kids' storybook Bibles, "Character Study Guide" handout, pens or pencils

PREP: Gather three kid's storybook Bibles that give an accurate account of the story of Jonah.

STEP 1: Read or recite this week's memory verse, 2 Peter 3:9. Read the verse again, pausing after each phrase.

Share these key concepts:

- God knows everything, and He is not limited to time like we are. In fact, the Bible says that 1,000 years are like a day to God!
- God is loving and faithful. He will always keep His promises, but His timing is not like ours. God is never in a hurry, and He is never late.
- God wants everyone to repent and trust Jesus as Savior. He doesn't want ANYONE to spend eternity in hell, separated from Him forever.
- God gives everyone an opportunity to trust Him as Savior. Every person must choose.

STEP 2: Explain to kids that the Bible gives us a perfect example of God's patience and His desire for people to repent in the book of Jonah.

Divide kids into three groups, and assign a leader to each group. Give each group a kids' Bible storybook, and assign to them one of the following "characters" in the book of Jonah:

Jonah

The Sailors

The People of Nineveh

Pass out the Character Study page to each kid. Give the groups five minutes to study their character's role in the story and to determine how God was patient toward them and desired for them to repent and follow Him using the study page. As groups work, walk around the room, sharing these key concepts:

- Jonah was a prophet of God, called to deliver God's message to others.

- The people of Nineveh were wicked enemies of God's people. They were vicious and cruel.
- Jonah chose to disobey God and fled to a place far away from Nineveh.
- God spared the lives of the sailors, and they ended up worshipping the true God.
- God spared Noah's life by sending a great fish to rescue him from drowning.
- The people of Nineveh repented of their sins.
- God was patient with Noah, even when he pouted that the people of Nineveh repented.

STEP 3: After five minutes, have each group present their character roles.

Share these key concepts:

- God is patient to each of us. He desires for you and me to repent from our sins and trust Jesus as Savior (2 Peter 3:9).
- One day the time for us to repent will be over, and it will be too late (2 Corinthians 6:2).
- If you have trusted Jesus as Savior, God wants you to share the good news with others who have not yet repented (Acts 1:8).

Step 4: Give kids an opportunity to talk with a leader if they want to learn more about trusting Jesus as their Savior. Encourage the rest to think of one person with whom they can share the good news this week. Have children write this name on a slip of paper and either put in child's book/Bible or hang on the wall in the classroom.

- God gives everyone an opportunity to trust Him as Savior. Every person must choose.

Choose a spokesperson from each group and give him or her a pen or a pencil. Ask the spokesperson to write down key words from their verse that describe God's patience to us.

STEP 3: After two minutes, have each pair or group present their findings to the entire group.

Share these key concepts:

- God is patiently waiting for people to accept Jesus as Savior. God desires that everyone should repent from sin and trust Jesus as Savior, but He knows that not everyone will do so (2 Peter 3:9).
- God is patiently waiting for the right time for Jesus to come back for us. Jesus promised His disciples that He would one day come again and that we who

accept Him as Savior would go to heaven forever (John 14:1-3). We can trust that His timing is perfect. He is never early, and He is never late (2 Peter 3:8-9).

- God is always ready to forgive us when we sin (Nehemiah 9:17). Even after we trust Jesus as Savior, we will still sin. Yet God is patient with us, and He is ready to forgive us (1 John 1:9).
- God is patiently working in us to make us more like Jesus. God will continue His work in us until we are complete in Him (Philippians 1:6).
- God patiently gives us time to share the good news with others (Acts 1:8).

STEP 4: Give kids an opportunity to talk to a leader if they have questions about accepting Jesus as Savior. Encourage the rest of the kids to think about how God is patient in their lives.

Give each kid a sticky note and a pen or a pencil. Encourage them to write one way God is patient in their lives. Encourage them to stick the note somewhere in their rooms and to praise God for being patient in their lives when they see the notes.

God Is Always at Work

Introduction Activity (5 Minutes)

Option 1: Always Open

What You'll Need: Nothing

PREP: Nothing

STEP 1: Have kids brainstorm different occupations or services that are always available to help people (e.g., hospitals, police officers, firefighters, military personnel.).

STEP 2: After one minute, ask the following questions:

- What would it be like if one of these services closed down in our town?
- What problems might we face if all of these services shut down permanently?

STEP 3: Share these key concepts:

- The individuals who work in these fields are willing to work all hours of the day or night to help us and keep us safe.
- We often take for granted that these services are available whenever we need them.
- God is also working all the time in our lives. No matter what situation we may go through, God is always with us and He is always working to fulfill His plans for us.

STEP 4: Transition into the main lesson by opening in prayer, asking the Holy Spirit to help you and your kids understand the importance that God is always at work in our lives.

Introduction Activity (5 Minutes)

Option 2: Always Working

What You'll Need: Optional: Doctor, nurse, CNA, or medical technician volunteer

PREP: Ask a leader to complete the following activity during class.

Optional: Ask a doctor, nurse, CNA, or medical technician to come to your class to help with the opening activity.

STEP 1: Take a leader's resting pulse and announce the result to the kids. Optional: Ask the visiting medical person to take the leader's pulse.

STEP 2: Ask the leader to jog in place for 60 seconds. Encourage the kids to count aloud with you. After 60 seconds, take the leader's pulse again (or ask the visiting medical person to do so). Share the result with the class.

Ask the following questions:

- Why was (leader's name) pulse faster the second time?
- How did the movement affect his or her pulse?
- What do you think will happen to (leader's name) pulse after he or she rests for a bit?

STEP 3: Share these key concepts:

- Our hearts are always at work in our bodies to keep us healthy.
- We do not have to think about our heart beating or tell it to continue to beat; God has designed that to always work on its own.
- Just like (leader's name) heart was always at work during times of rest and times of hard work, God is always at work in our lives, during both good times and hard times, to help us learn to be more like Jesus.

STEP 4: Transition into the main lesson by opening in prayer, asking the Holy Spirit to help you and your kids understand the importance that God is always at work.

God Is Always at Work

Main Lesson Activity (10 Minutes)

Option 1: God's Work in Joseph's life

What You'll Need: Bibles, T&T handbooks, graph paper, red pen, pens or pencils

STEP 1: Read or recite this week's memory verse, Romans 8:28, together with the kids. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- We can be confident that God has a plan for those who love Him and have trusted Jesus as Savior.
- God is always at work, and He is working all things in our life for His good.
- God is loving and faithful. We can trust that God will use even the hard things in our life to help make us more like Jesus.

STEP 2: Explain to the kids that the story of Joseph helps us understand this verse. Have kids turn to section 1.5 in their handbooks. Encourage kids to work in groups of two or three. Give each kid a sheet of graph paper and a pen or a pencil.

Encourage kids to graph the key events in Joseph's life like a timeline. Do the first two together with the kids as you share the following key concepts:

- Joseph was his dad's favored son (Genesis 37:3-4). (Draw a red dot near the upper left hand corner of a piece of graph paper; hold it up for the kids to see).
- Joseph dreamed about his brothers, which made them angry (Genesis 37:5-11). (Draw a red dot near the lower left hand corner of the graph paper to the right of the first graph point; hold it up for the kids to see.)

STEP 3: Using their handbooks as a guide, encourage the other pairs or groups to complete their graph timelines together. Ask leaders to walk among the kids, offering counsel when needed. After four minutes, ask kids to compare their graphs with each other.

Then ask the following questions:

- If you were Joseph, how would you have been tempted to respond in these situations?
- What would your attitude have been like?
- Step 4: Share these key concepts:

- Joseph chose to trust that God had a plan for his life.
- Joseph did not respond in anger to the unfair situations in his life. In Potiphar's house, prison, and Pharaoh's government, Joseph was trusted and put in places of respect and authority.
- Joseph even reminded his brothers that God used their evil actions in his life to bring about something good (Genesis 50:20).

Step 5: Tell kids to look at their graphs again. Remind them that like Joseph, they will face ups and downs in their lives, but God is always with them, working out every situation for their good

Option 2: God's Good Plan

What You'll Need: Bibles, paper, marker, tape, sticky notes, pens or pencils

(Leader's Note: Larger clubs may choose to have only a few kids do this at the front of the room while others watch, or have the kids divide into smaller groups to complete the activity.)

PREP: On a sheet of paper, write in large letters each of the following expressions: "Fantastic!" "So-so" "That really stinks!" Tape the expressions on a wall or wall-mounted whiteboard in the room, placing "Fantastic!" near the top, "So-so" in the middle, and "That really stinks!" near the bottom.

STEP 1: Give each kid four sticky notes and tell them to write two great things and two bad things that might happen to kids their age.

STEP 2: After one minute, have leaders collect the sticky notes. Read each sticky note out loud, and have kids rate where it should be placed on the wall.

STEP 3: Read or recite this week's memory verse, Romans 8:28, together with the kids. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- We can be confident that God has a plan for those who love Him and have trusted Jesus as Savior.
- God is always at work, and He is working all things in our life for His good.
- God is loving and faithful. We can trust that God will use even the hard things in our life to help make us more like Jesus.

STEP 4: Give each kid a sticky note. Encourage them to write one touch situation they are going through, along with today's date.

Share these key concepts:

- God is loving, faithful and patient. He wants all people to accept Jesus as Savior (2 Peter 3:8, 9).
- God has a good plan for those who have trusted Jesus as Savior (Jeremiah 29:11). He promises to keep working in our lives until that plan is complete (Philippians 1:6).

- Life is hard, and we will face difficult times in our lives. But even in those times, we can trust that God is with us (Isaiah 41:10).
- God is always at work in our lives. He will work even the bad things out for our good and use them to make us more like Jesus (Romans 8:28-29).

STEP 5: Encourage them to place that note in their Bible or handbook. Challenge them to determine to trust that God is at work in their lives and to ask God to help them be more like Jesus each time they see that sticky note.

What You'll Need: Bibles, blank sheets of paper, T&T handbooks, pens or pencils (Optional: CD and CD player, smartphone, or tablet)

PREP: Optional: Choose several favorite worship songs to play during this activity

STEP 1: Remind kids that over the past five lessons they have learned characteristics of who God is. Have kids divide into groups of two or three, and give them two minutes to discuss their favorite thing they have learned about God throughout this unit.

- God is trustworthy and faithful. God always keeps His promises, and we can trust that no matter what situations we may face, we can know that God will never forsake us. We can trust that because of His steadfast love, He will always be there for us when we need Him (Psalm 9:10, Deuteronomy 7:9).

STEP 5: Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.

Notes:

Panel Praises

Use the following highlights from the T&T sections to help you prepare a testimony of praise for your assigned topic.

GOD IS TRUSTWORTHY.

God loves us so much that He made a way for us to have a right relationship with Him. When we trust in Him as Savior, He promises to always be with us. We can trust God's promises that He will never leave us and that He is our shield and our refuge. When we trust in God and His word, we are safe and we will have peace, no matter what struggles we may face.

GOD IS LOVING.

God loves everyone, but sin broke man's relationship with God (Romans 5:12). God's greatest demonstration of love was sending Jesus to die on the cross to take the punishment for sin and fix our relationship with God (Romans 5:8). When we trust Jesus as Savior, nothing can ever separate us from God's great, amazing love (Romans 8:38-39).

GOD IS FAITHFUL.

He keeps His promises and continues to love us, no matter what (Romans 8:38-39). He will always do what He says He will do (Deuteronomy 7:9). God has a plan for each person who trusts Jesus as Savior (Jeremiah 29:11). God will be faithful when we are tempted (1 Corinthians 10:13). He will continue to forgive us and help us in troubled times (1 John 1:9). He will complete the work that He has begun in our lives (Philippians 1:6).

GOD IS PATIENT.

He desires that all people should repent from sin and follow Him (2 Peter 3:9). God has a plan for each person who has trusted Jesus as Savior. He is patiently working out the details of that plan, and we can trust God's perfect timing in our lives (Jeremiah 29:11, 2 Peter 3:8).

GOD IS ALWAYS AT WORK.

God desires for all people to be saved (2 Peter 3:9). When we accept Jesus as Savior, our relationship with God is fixed (Romans 5:1). God has a good plan for each of us to make us more like His Son, Jesus (Jeremiah 29:11). God loves us, and we can trust His plan for us. No matter what we go through, good and bad, God will use it to help us be more like Jesus. God is always at work for our good (Romans 8:28).

The Bible Is The Explanation of God's Grace

Main Lesson Activity (10 Minutes)

Option 1: Before and After Grace

What You'll Need: Bibles, paper, pens or pencils, T&T handbooks

(Leader's Note: Larger clubs may choose to have only a few kids do this at the front of the room while others watch, or have the kids divide into smaller groups to complete the activity.)

PREP: Gather three sheets of paper. Write one of the following words or phrases on each of the blank sheets: "Before," "But God," "After."

STEP 1: Read or recite this week's memory verse, 2 Timothy 1:9. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- God does not save a person from sin because he or she is a good person or does good things for God and others.
- God saves someone because of His own purpose and His grace.
- God had a plan before the beginning of time to offer us His amazing grace through Jesus.

STEP 2: Have kids turn to section 2.1 in their handbooks. Divide kids into two groups: the Before group and the After group. Give each group their prepared sheet of paper, and assign a leader to each group. Encourage kids in the Before group to open their Bibles to Ephesians 2:1-3 and the After group to open their Bibles to Ephesians 2:4-6. Distribute paper and pens or pencils to each group.

Give groups five minutes to read their verses and to discuss together what we were like before or after God's grace in our lives. Encourage kids to take notes on their papers.

After five minutes, ask the first group to share their findings.

Share these key concepts:

- Before we accept Jesus as Savior, we were dead in our sins (Ephesians 2:1). We were under the control of Satan and lived for ourselves (Ephesians 2:2-3). We were sinners, separated from God, on our way to hell.

- There was nothing we could do on our own to save ourselves. Without God's grace, we cannot be saved or be in a relationship with God.
- Step 3: Read Ephesians 2:4. Hold up the "But God" sign.
- Share these key concepts:
- God loved us, even when we were sinners (Romans 5:8). He showed His love for us by sending Jesus, His perfect son, to die on the cross to take the payment for our sin.
- God showed us mercy. We deserved death and separation from God forever because of our sin (Romans 6:23). God showed us mercy by not giving us the death we deserved, but instead showed us grace by giving us something good that we did not deserve: eternal life through Jesus Christ.

Step 4: Explain to kids that when we accept Jesus as Savior by God's grace, our lives are completely changed. Ask the "After" group to share their findings.

Share these key concepts:

- God offers everyone grace through Jesus. Because Jesus was perfect, He is the only one who could take our payment for sin.
- When we accept Jesus as Savior, we are saved through grace. We are made alive through Jesus. Our sins are forgiven, and our punishment for sin has been paid. We have a right relationship with God now, and He has a perfect plan for us. We can even look forward to living forever in heaven with God. This is grace!

STEP 5: Explain to kids that this grace can change their lives as well. Give kids an opportunity to talk to a leader about salvation. Ask kids to pray silently, thanking God for the gift of grace.

What You'll Need: Bibles, Grace in Paul's Life Handout
 (Optional: Bible times male costume)

(Leader's Note: Larger clubs may choose to have only a few kids do this at the front of the room while others watch, or have the kids divide into smaller groups to complete the activity.)

PREP: Print out a copy of Grace in Paul's Life Handout. Ask a male leader to portray the apostle Paul by presenting the monologue on the handout. Give him the handout ahead of time, and ask him to read through the piece several times. Optional: The leader may choose to wear a Bible times costume during the reading.

STEP 1: Read or recite this week's memory verse, 2 Timothy 1:9. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- God does not save a person from sin because he or she is a good person or does good things for God and others.
- God saves someone because of His own purpose and His grace.
- God had a plan before time to offer us His amazing grace through Jesus.

STEP 2: Tell kids that Paul is an example of God's amazing grace. Ask the leader to share the monologue.

STEP 3: Ask, "What was Paul like before God's grace?"

Share these key concepts:

- Before God's grace, Saul thought he was a good person.
- He refused to believe the truth that Jesus was the true son of God.
- Because of his sin, Saul ended up hurting those who had accepted Jesus as Savior.

STEP 4: Share with kids that God loved Saul, even though he was a sinner and was against God. Ask, "What was Paul like after God's grace?"

Share these key concepts:

- When Paul recognized the truth that Jesus is God's Son and accepted Jesus as Savior, Paul was a different person.
- God gave Paul the gift of salvation, forgave Paul of all his sins, and restored His relationship with Paul.
- God's grace changed Paul. After he accepted Jesus as Savior, Paul shared the good news of God's grace to others. He followed God completely, and everything Paul did was for God's glory.
- God used Paul to write many books of the New Testament. Many of the books of the Bible that Paul wrote teach us the truths of God's great grace.

STEP 5: Explain to kids that this grace can change their lives as well.

Share these key concepts:

- God offers everyone grace through Jesus. Because Jesus was perfect, He is the only one who could be the payment for our sin.
- When we accept Jesus as Savior, we are saved through grace (Ephesians 2:8-9). We are made alive through Jesus. Our sins are forgiven, and our punishment for sin has been paid (Romans 5:1).
- We have a right relationship with God now, and He has a perfect plan for us (Philippians 1:6). We can even look forward to living forever in heaven with God (John 14:1-3). This is grace!

STEP 6: Give kids an opportunity to talk to a leader about salvation. Ask kids to pray silently, thanking God for the gift of grace.

STEP 7: Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.

Grace in Paul's Life Handout

Present this monologue to the kids during the main lesson time.

Optional: Wear a Bible times costume as you present the monologue.

I'm Paul . . . well, at least that's what I go by now. I used to be known as Saul, but my life has changed completely since then.

When I was known as Saul, I thought I was on top of the world. I was an important religious leader. I was well-known and in good standing with many people. I believed and worshiped God, but I thought that those who believed Jesus is God's Son were wrong. I did my very best to destroy those who felt that way, because I was SURE that my view of God was the right one.

But I was wrong.

One day, while I was on my way to arrest some of Jesus' followers, I was stopped on the road by a great light. I couldn't see anything, and I was terrified. Then, I heard a voice, asking why I was persecuting Jesus.

All of a sudden, the bright light went away, but I was left blind. I made my way to Damascus, where a man took me in and told me more about who Jesus really is.

I realized that it didn't matter to God that I was a good person, or even that I believed in Him. The truth is I'm a sinner, and I realized that because God is perfect and cannot be around sin, I could never be right with God on my own. There is nothing I could ever do on my own to be better than my sins.

But God already knew that. He knew that I deserved death and hell.

But He still loved me. He loved me, even though I was willing to murder people who believed differently than I did. He loved me so much that He gave me something that I didn't deserve. He gave me grace.

God sent Jesus, His perfect Son, to earth. Since Jesus never sinned, He was the ONLY one who could die on the cross to take my punishment for sin. God's grace was my gift of salvation, made possible by Jesus.

No one deserves God's grace, especially me. Yet God offers His grace to EVERYONE as a free gift.

Because of God's grace, my life was changed, and my greatest desire was to teach others about God's great grace. I traveled many miles to share the message of God's free gift to others, and I wrote many books in the New Testament that share the good news of God's great grace.

How about you? Do you know that God wants to offer you that same grace? Please talk to a leader tonight to learn more about how you can receive God's amazing grace.

- Why are characters necessary in a story?

STEP 3: Share these key concepts:

Option 2: Tell a Story

What You'll Need: Paper, marker

PREP: Write on a sheet of paper, "To Be Continued."

STEP 1: Have kids sit in a circle. Give a kid in the circle the prepared paper. Ask that kid to think of a popular kid's story or movie that the other kids would be familiar with and whisper it to you. Once you approve of the story or movie, have that kid start telling part of what happened in the beginning of the story. After several seconds shout, "Next!" The kid telling the story passes the paper to the kid on his or her right, who continues telling the story where the previous kid left off. If that kid is not familiar with the story or movie, he or she can say, "pass," and pass the sign to the person on his or her right. Continue the activity until the storyline has been shared. As time allows, continue the activity with another story or movie.

STEP 2: Ask the following questions:

- Who was the main character in the story or movie?
- How did the story begin?
- How did the story end?
- What details would you have added if you were telling the story?

STEP 3: Share these key concepts:

- Every good story has an important character, one that the whole story is written about.

The Bible Is God's Story Shared With Us

Main Lesson Activity (10 Minutes)

Option 1: God's Story

What You'll Need: Bible, children's storybook Bibles, T&T handbooks, paper, pens or pencils or colored pencils

PREP: Gather several children's storybook Bibles and place them around the room.

STEP 1: Remind kids that the Bible is God's story. All of the true stories in the Bible point us to God. Distribute a sheet of paper and a pencil or pen to each kid. (Kids may choose to work in groups of two or three to complete the activity.) Encourage kids to flip through past sections of their T&T handbooks or the children's storybook Bibles and search for their favorite true stories in the Bible. Give them three minutes to illustrate their favorite story.

STEP 2: After three minutes, have kids take turns revealing their drawings. After each kid has shared his or her drawing, ask these questions:

- How did this story point to God?
- What can we learn about God through this story?

STEP 3: Share these key concepts:

- God is the main character in His story. He is in the very beginning (Genesis 1:1).
- Every story in the Bible is true because it is part of God's story. In every story from Genesis to Revelation we learn truths about who God is and what His plan is for us.
- God knew that we would sin and need a rescuer to save us from sin (Genesis 3:15). God's plan from the very beginning was for Jesus, His Son, to come to earth and die on the cross to take the punishment for sin (2 Timothy 1:9).
- When we accept Jesus as Savior, we are a part of God's Story. God has a plan for each one of us, and He will work everything in our lives for our good (Philippians 1:6, Romans 8:28).
- God's story has an exciting ending for those who trust Jesus as Savior. One day, Jesus will come back for us, and we will get to spend forever with God in heaven (1 Thessalonians 4:16-18). What an amazing ending to God's awesome story!

Step 4: Read or recite this week's memory verse, John 3:17. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- After Adam and Eve sinned, God had a plan to send Jesus, His only Son, to the earth to pay the price for sin. This was always God's plan to save us from sin (2 Timothy 1:9).
- God did not send Jesus to earth to condemn, or make the world guilty because of sin.
- God sent Jesus to the earth as a way for us to be able to be in a right relationship with God.

STEP 5: Share these key concepts:

- God's story helps us understand who He is and who we are.
- God's story helps us understand how God wants us to look at the world.
- We need to study God's Word each day.

Share with kids your Bible study plan. Ask another leader to do the same. Ask kids if any of them would like to share their personal Bible study plan.

STEP 6: Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.

The Bible Is God's Story Shared With Us

Main Lesson Activity (10 Minutes)

Option 2: God's Story Timeline

What You'll Need: Bibles, whiteboard or pad of paper, easel, markers, children's storybook Bibles, T&T handbooks, roll of butcher or parchment paper, scissors, masking tape or sticky tac, pens or pencils, sticky notes

PREP: Cut a two-foot section of butcher or parchment paper. Write at the top of the paper, "God's Story Timeline." Draw a line down the middle of the paper. On the left-hand side, write vertically "Genesis." On the right-hand side of the page, write vertically, "Revelation." Hang the prepared paper on the wall in the classroom. Place several children's storybook Bibles around the room.

STEP 1: Ask, "What are some of your favorite characters or stories from the Bible?" Write the responses on the whiteboard.

STEP 2: After one minute, divide the kids into small groups and assign a leader to each group. Divide the characters on the whiteboard equally among the groups. Give each group several sticky notes and pens or pencils.

Have a kid in each group record each of their character's names on sticky notes. Then, encourage the kids and the leaders in each group to work together to discover where in God's Story Timeline these characters fit. They may use their Bibles, handbooks, or the children's storybook Bibles as a guide.

When they are finished, have a kid place the sticky note on the God's Story Timeline.

After groups have finished, look over the timeline, making sure the characters are in their biblical order. Adjust as necessary.

Share these key concepts:

- God is the main character in His story. He is in the very beginning (Genesis 1:1).

STEP 3: Read or recite this week's memory verse, John 3:17. Repeat the verse a second time, pausing after each phrase.

On the appropriate spot on the timeline, draw a cross and write the word "Jesus" vertically above the cross.

Share these concepts:

- After Adam and Eve sinned, God had a plan to send Jesus, His only Son, to the earth to pay the price for sin. This was ALWAYS God's plan to save us from sin (2 Timothy 1:9).
- God did not send Jesus to earth to condemn, or make the world guilty because of sin.

Option 2: Share the News

What You'll Need: Notepads, pens or pencils

PREP: Purchase inexpensive notepads (one per kid or one notepad to be passed around the group).

STEP 1: Give each kid a notepad and pen or pencil. Write on the first notepad the following phrase: Ice Cream Sundae. Show the phrase to the first kid, and have him or her draw it on the next page. After thirty seconds, the kid who drew the picture should show only the picture to the next kid. That kid should then guess what the picture is, write down his or her guess on the next page, and then shows it to the next kid. What You'll Need: Bibles, scissors, string or yarn, yellow, black, red, white, and green beads, snack ZipLoc® bags, picture of missionary (optional: smartphone or tablet)

(Leader's Note: Larger clubs may divide into smaller groups to complete the activity.)

PREP: Make Good News kits by cutting a 12-inch piece of string, tie a knot about 2/3 of the way down the string and placing it in a bag, along with a yellow, black, red, white, and green bead. Make one kit for each kid.

Choose a missionary that your church supports. Be ready to show his or her picture to your kids.

STEP 1: Share these key concepts:

- God's good news is that He loved us even while we were sinners. He sent Jesus to earth to die on the cross to take the punishment for sin (John 3:16, Romans 5:8).
- God desires for all to hear the good news of the gospel (2 Peter 3:9, John 3:16).

STEP 2: Read or recite this week's memory verses, Matthew 28:19-20. Repeat the verses again, pausing after each phrase.

Share these key concepts:

- Before Jesus returned to heaven, He told His followers to go and make disciples.
- Making disciples means sharing the good news that Jesus came to earth, died on the cross to take the punishment for sin, and then rose again.
- If people accepted Jesus as Savior, Jesus' followers were supposed to baptize the new followers, and then continue to teach them from God's Word how God wanted them to live.
- Jesus promised that He would be with all of His followers as they shared the good news.

STEP 3: Tell kids that if they have accepted Jesus as Savior, they have the same job as Jesus' disciples. Distribute a Good News kit to each kid. Instruct kids to

place beads on the string in the following order: Yellow, black, red, white, green. Share the following concepts:

- The dark bead reminds us that we are sinners. We have all sinned (Romans 3:23). Our sin separates us from God (Isaiah 59:2). We deserve to be separated from God forever in hell because of our sin (Romans 6:23).
- The red beads reminds us that God loves us, even when we were sinners (Romans 5:8). He sent Jesus, His perfect Son, to take the punishment for sin by dying on the cross (John 3:16).
- The white bead reminds us that if we admit we are sinners and believe that Jesus died and rose again to take the punishment for our sin, we will be saved (Romans 10:9-10). Our sins are forgiven, and our relationship with God is restored.
- The green bead reminds us that after we accept Jesus as Savior, we need to tell other people the good news of God's love for us (Matthew 28:19-20).

STEP 4: After kids have put their beads on the string in order, tell them to tie the end of the string. Encourage them to tie the string on their backpack, coat, or around their wrist. Encourage them to use the beads to share the good news of Jesus with their friends and family.

STEP 5: Remind kids that Jesus told His followers to share the gospel with people around the world. Hold up a prayer card of a missionary your church supports (Optional: Display the missionary's picture on your smartphone or tablet.) Explain to kids that some missionaries share the good news with people far away.

Ask, "How can we help spread the good news to people who live far away?" (Possible answers: pray for people around the world, donate money to help, pray for missionaries.)

PREP: Choose a favorite song about God's Word and be prepared to sing it with the class.

STEP 1: Share these key concepts:

- God saves us, not because of anything we have done, but because of His plan and grace (Romans 5:8). God's undeserved grace and free gift to us is eternal life through Jesus. God continues to lavish us with grace in our lives, and through His grace we will spend eternity with Him in heaven someday (John 14:1-3).
- God's story helps us understand who God is, who we are, and how He wants us to live. From the beginning, the Bible reveals God's plan to save us from sin and reminds us that Jesus will come back and take us to heaven someday (1 Thessalonian 4:16-18). We should read God's awesome story each day to learn more about our amazing God!
- The Bible is God's letter written to us. It tells us things about God we could never know without it. The Bible shows us how much God loves us, and it gives us everything we need to live a life that pleases God (2 Timothy 3:16-17). This letter from God will help us know God more and become more like Him (2 Timothy 2:15, Psalm 119:105).
- The Bible instructs us to love God with all our heart, soul, mind, and strength (Mark 12:30). Loving God with all of who we are is the most important commandment (Matthew 22:37-38). It is the most important choice we can make.

expectations (2 Timothy 3:16-17). Our job is to study the Bible and apply the truths to our lives (Psalm 25:4, 2 Timothy 2:15).

- The Bible transforms our lives. When God's Word dwells in our hearts, we begin to think and act differently toward others around us. Our desires change, and we want everything we think and do to be done for Jesus (Colossians 3:16-17).
- God's Word contains the good news of the gospel. God can use our story of how God has worked in our lives to share the gospel with others (Matthew 28:19-20). We should start sharing the good news close to home, and then do what we can to take it into all the world (Acts 1:8).

STEP 2: Have kids work in groups of two or three to review what they have learned this unit. Encourage them to look through Sections 2.1 through 2.7 and take turns sharing with each other key truths that they have learned. Encourage leaders to walk among kids, making sure they are staying on task.

(Leader's Note: Larger clubs may choose to have only a few kids do this at the front while others watch, or have the kids divide into smaller groups to complete the activity.)

PREP: Find out a simple chore your T&T kids could do as a service to the church (i.e., wipe down chairs, pick up trash, wipe down handles, nursery toys, etc.). Gather necessary cleaning supplies (e.g., small trash bags, cleaning wipes, etc.).

STEP 1: Highlight the events of John 13:1-15 to the kids. Give each kid a pen or a pencil, and encourage the kids to follow along in the section 3.2 of their handbooks.

Share these key concepts:

- Jesus willingly washed the stinky, dirty feet of His disciples (John 13:4-5).

- Serving someone shows that we love them and are willing to put their needs before our own.
- If you have accepted Jesus as Savior, you can love and serve Jesus by loving and serving others.

STEP 4: Read or recite this week's memory verse, Mark 10:45. Repeat the verse again, pausing after each phrase.

Share these key concepts:

- Jesus is God. Even when Jesus came to live on earth, He was still God. He deserved worship and praise.

- Jesus served us by giving His very life in place of our own to pay the price for our freedom from sin.

STEP 5: Encourage kids to think of one way they can serve someone this week. Ask kids to write the name of that person in their T&T handbooks.

STEP 4: Transition into the main lesson by opening in prayer, asking the Holy Spirit to help you and your kids understand the importance that Jesus sacrificed His life for you and me.

Notes:

SECTION 3.4 | Jesus Sacrifices

Main Lesson Activity (10 Minutes)

Option 1: Jesus' Great Sacrifice

What You'll Need: Bibles, 3x5 card, pens or pencils

(Leader's Note: Larger clubs may choose to have only a few kids do this at the front of the room while others watch, or have the kids divide into smaller groups to complete the activity.)

PREP: Bookmark a Bible to 1 John 3:16.

STEP 1: Review the definition of "sacrifice" with kids. Assign one of the following verses to each individual, pair, or group of kids: Luke 22:63, Luke 23:1-3, Luke 23:21, Luke 23:33-34, Luke 23:46. Ask kids to study their verses and be ready to share what Jesus went through when He died on the cross. Have leaders walk among kids, offering help as needed.

STEP 2: After two minutes, have kids share their findings in the order of verses listed above.

Share these key concepts:

- Jesus suffered great pain and humiliation on the cross (Luke 22-23).
- Jesus knew that God's plan was for Him to die and take the punishment for our sin (John 3:16). He knew that this was the only way that we could have a right relationship with God (Hebrews 10:12).
- Jesus loves us more than we can ever imagine. He chose to sacrifice His life and die in our place so that we could be saved from sin (Hebrews 10:14).

STEP 3: Remind kids that when we remember Jesus' great sacrifice for us, we should respond by loving Him and giving our lives to follow Him. Ask a volunteer to read 1 John 3:16 and give him or her the bookmarked Bible.

Share these key concepts:

- Jesus loves us more than we can ever imagine.
- He chose to sacrifice His life and die in our place so that we could be saved from sin (Hebrews 10:14).
- Because of His sacrifice for us, we need to be willing to sacrifice for others.
- This verse does not mean that everyone needs to die for someone else; you just need to love them in a big way, just like God loves you.

STEP 4: Read or recite this week's memory verse, Ephesians 5:2. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- Jesus sacrificed His life by dying on the cross to pay the price for sin.
- No one forced Jesus to die. He willingly offered His life because He knew it was a part of God's plan.
- We should follow Christ's example and love others like Jesus loved us.
- We imitate Jesus by sacrificially loving others.
- This verse does not mean that everyone needs to die for someone else; you just need to love them, just like God loves you.

STEP 5: Have kids think of someone in their lives who needs someone to love them. Encourage them to write that person's name down on a 3x5 card.

Ask kids to think of one way they can show Christ's love to that person and then write or draw it on the back of the card.

Pray and ask God to help you and the kids learn to love others sacrificially like Jesus.

STEP 6: Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.

Main Lesson Activity (10 Minutes)

Option 2: Symbols of Sacrifice

What You'll Need: Bibles, rock, nails, vinegar, glass jars, small, plastic tubs or baskets, T&T Handbooks
(Optional: Image of a cross, CD or CD player or computer or smartphone; song focusing on Jesus' love or sacrifice for us on the cross. See Step 3 for suggestions.)

(Leader's Note: Larger clubs may divide into smaller groups to complete the activity.)

PREP: Ask several leaders to be ready to share the events of Christ's death on the cross. Make copies of this lesson and give one to each of the volunteer leaders. Ask them to be prepared to lead Step 1 with a group of kids.

Optional: Use a CD and CD player to play the song, or download the song and play it through your computer or smartphone.

Gather the supplies listed above. (Optional: print out image per basket or tub.) Pour vinegar in glass jars. Place each of the items listed above in a small, plastic tub or basket. Make enough tubs or baskets so that groups of three or four kids will each have one.

STEP 1: Divide kids into groups of three or four and assign a leader to each group. Give each leader one of the prepared baskets. Encourage kids to turn to Section 3.4 and follow along with the leaders.

Share these key concepts:

- Jesus suffered many things when He was arrested.
- Jesus was mocked and beaten with a whip made of leather with pieces of rock tied to it (Luke 22:63). (Encourage kids to pass around the rock while you read the verse.)
- Jesus was nailed to a cross between two criminals (Luke 22:32-33). (Encourage kids to pass around the nail while you read the verse.)
- The soldiers tried to give Jesus a sour drink while He was on the cross (Luke 23:36). (Carefully remove the lid from the jar and allow kids to smell the vinegar while you read the verse.)
- Jesus sacrificed His life for us. We can never begin to understand His love.

STEP 2: Read or recite this week's memory verse, Ephesians 5:2. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- Jesus sacrificed His life by dying on the cross to pay the price for sin.
- No one forced Jesus to die. He willingly offered His life because He knew it was a part of God's plan.
- We should follow Christ's example and love others like Jesus loved us.
- We imitate Jesus by sacrificially loving others.
- This verse does NOT mean that everyone needs to die for someone else; you just need to love them, just like God loves you.

STEP 3: Ask kids to think about what Jesus did for them. Encourage them to read through the prayer they wrote in Section 3.4 of their handbook or to write a prayer at this time. Then ask them to think of how they can love others with a love like Jesus has for them.

Optional: While the kids are praying, play a song about Jesus' love or His sacrifice on the cross for us (e.g., "Thank You for the Cross," "Jesus, Thank You," "Glorious Day.")

Eyewitness Account

Be prepared to present this account with the kids during large group. (Optional: You may wear a Female Bible costume, if desired.)

Have you ever had an incredible day? A day when something amazing happens to you that changes your life forever? I did. Let me share it with you.

That morning, I was at one of the lowest times in life. Just two days before, I witnessed the death of a dear friend.

This friend was Jesus. My life changed the moment I believed that He was the Son of God. He performed many miracles. He healed the sick and made the blind see. Yet, He had many enemies, people who did not believe He was God's Son.

These enemies arrested Him. They beat Him and mocked Him. They sentenced Him to death. He was hung on a cross. Yet, even as I watched Him suffer, I heard Him ask God to forgive those who were hurting Him. I have never known anyone else who loved others like He did.

After He died, I was one of the ones who took His body from the cross. Because it was almost evening when He died, we quickly placed His body in a new tomb. There was no question that He was dead; a soldier even pierced His side to make sure. The tomb was sealed with a heavy stone, and Roman soldiers were ordered to guard the tomb to make sure His body was not taken.

For two days, I was broken. I wondered, "How could Jesus be dead?" Those days passed in a blur to me.

However, on the morning of the third day, I went with my friend Mary to the tomb. We wanted to take spices for Jesus' body since we had to quickly place His lifeless body in the tomb the evening He died.

Imagine our fear as the ground under our feet began to shake. As we approached the tomb, we could not believe our eyes. An angel had rolled away the stone, and he sat upon it! The soldiers who were guarding the tomb, lay motionless on the ground.

The angel spoke to Mary and me. He knew we were looking for Jesus, but he told us to not be afraid. "He is not here," the angel proclaimed. "He is risen!" The angels told us to look into the tomb where His body had been. It was gone!

"Go," he said, "and tell the other disciples."

Mary and I ran with both fear and joy to find Jesus' followers and announce to them the incredible news: Jesus lives again!

Main Lesson Activity (10 Minutes)

Option 1: Theme and Verse Review

What You'll Need: Bibles, T&T handbooks, Theme and Verse Review Handout, scissors, 3x5 cards, pens or pencils, tape

(Leader's Note: Larger clubs may divide into smaller groups to complete the activity.)

PREP: Print a copy of the Theme and Verse Review Handout and cut the sections apart.

STEP 1: Give each kid a section from the Theme and Verse Review Handout. Give kids three minutes to find the partner in the room who has the coordinating verse or theme.

(Leader's Note: If you have a smaller class, encourage your leaders to participate, or give several kids two themes or two verses.)

Once kids have correctly matched the themes and references together, give each of them a 3x5 card and a pen or pencil. Encourage them to study their section of the handbook and to each write on their card one thing they have learned from that section.

STEP 2: When kids are finished, share these key concepts:

- During the triumphal entry, Jesus rode into a town on a donkey, as His followers laid their garments out before Him and praised Him as King (Luke 19:31-38). Jesus didn't come to earth to be a king over a country; He came to be King over our lives (Colossians 1:13).
- Jesus willingly washed the disciples' feet and talked to God about everything in His life (John 13:1-15, Luke 6:12, Luke 22:39-44). We can follow Jesus' example by lovingly serving others and praying about everything in our lives, knowing that God will always hear us and do what is best for us (Mark 10:45, Philippians 4:6-7).
- Jesus showed His love by dying on the cross to take the punishment for our sin (Romans 5:8). However, Jesus rose again three days later (Matthew 28:6). We can praise and thank God for Jesus' death and resurrection because it offers a way for us to have a right relationship with God (1 Corinthians 15:1-14).
- Peter denied Christ, hours before His crucifixion (Matthew 26:69-75). Jesus forgave and restored

Peter, which gave Peter the strength to tell others the good news (John 21:15-17, Acts 4). We can take comfort knowing that God will forgive, restore, and strengthen us when we make mistakes in our lives (1 Peter 5:10).

- Before Jesus went back to heaven, He promised His followers that they would receive power through the Holy Spirit to be His witnesses (Acts 1:8). If we have accepted Jesus as Savior, the Holy Spirit lives inside of us, and we have His power to boldly share the good news with others (John 14:26, Acts 1:8).
- Jesus deserves our praise, and we can show are praise and honor by praying, serving others, and trusting in the power of the Holy Spirit to be His witnesses.

STEP 3: Ask kids to think over who Jesus is and what He has done for them. Tell them to turn to section 3.8 in their handbooks and look over the questions from the review unit. Encourage them to pray and ask God to help them follow through with the commitments that they made.

STEP 4: Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.

Notes:

Theme and Verse Review Handout

Jesus is fully God, and when we accept Jesus as Savior, He is King of our lives.

Luke 19:38

Saying, "Blessed is the King who comes in the name of the Lord! Peace in heaven and glory in the highest!"

Jesus demonstrated His love by humbly serving the disciples. We follow His example when we look for ways to serve those around us.

Mark 10:45

For even the Son of Man came not to be served but to serve, and give His life as a ransom for many.

Jesus prayed openly to God about everything He was thinking and feeling. God wants us to pray about everything in our lives.

Luke 22:41-42

And He withdrew from them about a stone's throw, and knelt down and prayed. Saying, "Father, if you are willing, remove this cup from Me. Nevertheless, not my will, but yours, be done."

Jesus loved us so much that He willingly sacrificed His life so that we could be right with God.

Ephesians 5:2

And walk in love, as Christ loved us and gave Himself up for us, a fragrant offering and sacrifice to God.

Jesus' resurrection offers the hope of eternal life to all who accept Him as Savior.

Matthew 28:6

He is not here, for He has risen, as He said. Come, see the place where He lay.

Jesus restores, forgives, and strengthens those who seek a restored relationship with Him.

1 Peter 5:10

And after you have suffered a little while, the God of all grace, who has called you to His eternal glory in Christ, will Himself restore, confirm, strengthen, and establish you.

Jesus gives us power through the Holy Spirit to share the good news of God's love with others.

Acts 1:8

But you will receive power when the Holy Spirit has come upon you, and you will be My witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth.

PREP: Make copies of the Snapshots of Jesus Handout, one copy per kid.

Optional: Use a CD and CD player to play the song, or download the song and play it through your computer or smartphone.

STEP 1: Show kids a favorite photograph of you or your family. Explain that people often call pictures "snapshots."

Share these key concepts:

- During the triumphal entry, Jesus rode into a town on a donkey, as His followers laid their garments out before Him and praised Him as King (Luke 19:31-38). Jesus didn't come to earth to be a king over a country; He came to be King over our lives (Colossians 1:13).

Encourage kids to open their handbooks to Unit 3 and look back over the sections from that unit and draw snapshots of the various moments in Christ's life.

Optional: While the kids are drawing their images, play a song that focuses on what Jesus has done for us (e.g., "Cornerstone," "Man of Sorrows," "Glorious Day").

STEP 4: If time allows, ask volunteers to share their favorite snapshots of Jesus' life and why they are special to them. Then close in prayer, asking God to help them remember who Jesus is and what He has done for us.

Option 1: Journey to Love

What You'll Need: Bibles, Journey to Love Handout, copy of printed directions to a restaurant or store

(Leader's Note: Larger clubs may divide into smaller groups to complete the activity.)

PREP: Search online for directions to a restaurant or store near your church. Print out a copy of the map and directions.

Share these key concepts:

- If you have accepted Jesus as Savior, God wants to transform your life so that you are more like Jesus (Romans 12:2).
- We are on a journey to discover how we can be more like Jesus, and God's Word is our map.

Step 2: Ask a volunteer to read 1 John 4:7-8.

- God wants us to love others with the same kind of love as we have for ourselves.

Encourage kids to fill in the last direction of their handouts: We love others.

STEP 5: Explain to kids that just as they need to follow the directions on a map step by step, if we are to discover God's love, we need to follow these directions, step by step. Encourage kids to pray silently, asking God to help them recognize God's love and then learn to love others.

Ask them to look up 1 Corinthians 13 in their Bibles and turn to Section 4.1 in their handbooks. Give each group one or two hearts and ask them to think of a creative way to present that type of love to the rest of the groups (e.g., they could present a short skit, draw pictures, give a scenario of someone displaying that kind of love).

Ask leaders to walk among the kids, offering help as needed.

STEP 3: After four minutes, ask each group to share their discovery of love.

Share these concepts:

- The first step to becoming like Jesus is discovering God's amazing love.
- God doesn't just love people; God IS love!
- God demonstrated His love by sending Jesus to die on the cross to pay the punishment for sin (Romans 5:8).

STEP 4: Remind kids that God not only wants us to discover love, He wants us to live it out in our lives and love others—everyone we come into contact with!

STEP 5: Ask kids to think of one person whom they have a hard time loving. Main Lesson Activity (10 Minutes)

Option 1: Scenes of Joy

What You'll Need: Bibles, paper, pens or pencils, markers or colored pencils

(Leader's Note: Larger clubs may choose to have only a few kids do this at the front of the room while others watch, or have the kids divide into smaller groups to complete the activity.)

STEP 1: Explain to kids that they will work together to create their own comic scenes from Acts 3:1-9. Divide kids into three groups, and give each group several sheets of paper. Place pens or pencils, markers or colored pencils nearby. Have all kids turn to Section 4.2 in their handbooks and Acts 3 in their Bibles. Have leaders help kids find the verses in their Bibles.

Assign each group one of the following sections: Acts 3:1-3, Acts 3:4-6, Acts 3:7-10. Give groups four minutes to work together to create comic-style images of the scenes that take place in their verses.

STEP 2: After four minutes, ask the first group to present their comic scenes from Acts 3:1-3.

Share these key concepts:

- The lame man had little reason to be joyful.
- In Bible times, a man who was lame, or couldn't walk, would not be able to work. He would have been completely dependent on others.
- The gate called Beautiful was a common entrance to the temple, and many people would pass by the gate every day. Asking for alms was his way of begging people for money.

STEP 3: Ask the second group to present their comic scenes from Acts 3:4-6.

Share these key concepts:

- Peter and John were bold witnesses for Jesus Christ. They had the power of the Holy Spirit who lived in them.
- They did not have money to give to the man, but they did have something better: they had the good news of Jesus Christ to share.
- Through the power of the Holy Spirit, they were able to heal the lame man in Jesus' name.

STEP 4: Ask the third group to present their comic scenes from Acts 3:7-10.

Share these key concepts:

- The lame man realized God's love and healing power. He was thankful for what God had done for him.
- His life was changed forever. He would now be able to hold a job and be a part of his society.
- He also had the hope and joy from Jesus Christ that he could share with others.
- The people who saw the healed man were amazed that he had been healed.

STEP 5: Read or recite this week's memory verse, Psalm 16:11. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- When we accept Jesus as Savior, we have the promise of abundant life.
- When we study God's Word and draw close to Him, we can be full of joy, even when tough things are going on in our lives.
- When we grow in our relationship with God, we will experience God's blessings of peace and contentment and hope.
- We also have the hope that we get to spend eternity with God in heaven (John 3:16).

STEP 6: Ask kids to think about their own lives. Have they discovered God's joy? Remind them that they can choose joy, no matter what their circumstances are like.

Ask kids to pray silently and ask God to help them know Him better so their lives reflect the joy that comes from Him.

Ask a volunteer to read Psalm 51:10-12.

Share these key concepts:

- If we admit we are sinners and believe that Jesus died and rose again to take the punishment for our sin, we will be saved (Romans 10:9-10).
- Even after we accept Jesus as Savior, we still sin. We are still saved, but our sin keeps us from being close to God, and we do not have God's joy in our lives when we are struggling with sin.
- When we ask God to forgive our sin, He restores His joy in our lives.

STEP 3: : Ask a volunteer to read Psalm 5:11.

Share these key concepts:

- When we keep His commandments, or instructions, we will grow closer in our relationship with Him, and our lives will be transformed to be more like Jesus.
- We will then discover that our lives are full of His joy.

Discovery of Peace and Patience

Introduction Activity (5 Minutes)

Option 1: How Would You Respond?

What You'll Need: Nothing

PREP: Nothing

STEP 1: Read each of the following statements. After each statement is read, ask a volunteer to share how he or she would respond.

You ordered a cheeseburger with ketchup only. It arrives with everything—tomatoes, pickles, onions, mustard, lettuce, and mayo.

You have a lot of homework. Your bus is running late. You have a game at 6:00 p.m.

Your mom and dad are going out, which means your older sister is in charge for the evening.

STEP 2: After several volunteers have answered the questions, ask the following questions:

- How do you feel when you face unexpected obstacles in your life?
- When you are stressed out or you have a lot going on, how does it affect your relationship with your family?
- When life is crazy, how does it affect your relationship with God?

STEP 3: Share these key concepts:

- We will all face obstacles or unexpected events in our lives.
- We have a choice in how we respond when things do not go as planned.
- God wants us to discover His peace and patience to help us during difficult times.

Introduction Activity (5 Minutes)

Option 2: Patience and Peace for Every Day

What You'll Need: Bibles, T&T handbooks, Patience and Peace for Every Day Handout, scissors, paper, pens or pencils

(Leader's Note: Larger clubs may divide into smaller groups to complete the activity.)

PREP: Print one copy of the handout. Cut apart each section.

STEP 1: Remind kids that God wants us to discover His patience.

Share these key concepts:

- Patience is the ability to endure delay, trouble, or suffering without complaining.
- God allows us to go through tough times to produce patience in our lives. And that patience builds our character so that we become more like Christ, which offers us hope (Romans 5:3-5).
- As we learn to respond to life's frustrations with patience, we will then discover God's peace.

STEP 2: Have kids work in groups of two or three. Give each group one or two scenarios. Ask a volunteer in each group to read aloud their scenario. Have groups work together to determine how a kid their age could respond to the scenario with patience.

After one minute, have each group share their scenario and response.

STEP 3: Explain to kids that once we develop patience, we can discover God's peace.

Share these key concepts:

- We discover God's peace when we trust God in hard situations. God is trustworthy and faithful. He has a good plan for us, and He will work out even the bad times in our lives for our good (Romans 8:28).
- When we pray about the struggles we face, we are able to focus on God and His goodness instead of our problems. As we do so, God's peace guards our hearts (Philippians 4:6).

- Right thinking keeps our minds from dwelling on our problems.
- We choose what we think about, and God wants us to think about the truth that we find in His Word. (Philippians 4:8).
- The more we know God's Word, the more we will discover God's perfect peace.

STEP 4: Have the groups read through their scenarios again and discuss how a kid their age could discover God's peace in that situation.

After two minutes, encourage kids to share their answers.

STEP 5: Read or recite this week's memory verse, 2 Thessalonians 3:16. Repeat the verse a second time, pausing after each phrase.

Share these concepts:

- God is the God of peace.
- If we are to have His peace, we need to first have a relationship with Him by accepting Jesus as Savior.
- God is always with us (Isaiah 41:10). His peace is available to us all the time.

STEP 6: Remind kids that when they choose to focus on God and the truths of the Bible, they will discover patience and peace. Ask kids to look over Section 4.3 in their handbooks and to think about an area in their lives in which they need more peace or patience. Encourage kids to pray silently, asking God to help them discover His patience and peace.

Main Lesson Activity (10 Minutes)

Option 1: Unusual Phobias

What You'll Need: Easel, whiteboard or poster board, markers, sticky notes, pens or pencils

PREP: Write the following phobias on the board:

Iatrophobia.

Aerophobia

Entomophobia

Nyctophobia

Arachibutyrophobia

STEP 1: Direct kids' attention to the phobias on the board. Explain that a "phobia" is a specific type of fear that some people have. Give each kid several sticky notes and a pen or pencil. Ask them to try to guess what one or two of the phobias are. After kids have written their guesses, have them stick them next to the phobia.

Read several of their guesses aloud, then give them the correct answers listed below.

Iatrophobia — Fear of doctors

Aerophobia — Fear of flying

Entomophobia — Fear of insects

Nyctophobia — Fear of darkness

Arachibutyrophobia — Fear of Peanut butter sticking to the roof of your mouth

STEP 2: Ask the following questions:

- What are some common fears people might have?
- How might kids your age respond when they are afraid of something?
- What could a person do to overcome a certain fear?

STEP 3: Share these key concepts:

- We all experience worry and fear in our lives.
- We have a choice in how we respond when we are afraid or when things do not go as planned.

- Worry and fear are the opposite of patience and peace. God wants us to discover His peace and patience to help us during difficult times.

STEP 4: Transition into the main lesson by opening in prayer, asking the Holy Spirit to help you and your kids understand the importance of discovering peace and patience.

What You'll Need: Bibles, easels, whiteboard or pad of paper, markers, paper, pens or pencils, large sticky notes

(Leader's Note: Larger clubs may divide into smaller groups to complete the activity.)

PREP: Set up an easel in the front of the room and place the whiteboard or paper on it. Write on one side, "Peace is" Write on the other side, "Peace is not"

Bookmark Bibles to the following references: Psalm 37:7, Philippians 4:6-7, John 14:27.

STEP 1: Divide kids into three groups and assign a leader to each group. Give each group a bookmarked Bible, two sticky notes, and a pen or a pencil. Encourage each group to study their verses and Section 4.3 in their handbooks and then write a short phrase on each sticky note that identifies what peace is and what peace is not, based on this verse. When groups are finished, have them place their sticky notes under the correct column.

STEP 2: Ask a volunteer from the group who studied Psalm 37:7 to read the verse and reveal their sticky notes on the whiteboard or paper.

Share these key concepts:

- Patience is being still before the Lord. That means that we will patiently trust that He has a plan for our lives, and that He is working out everything—all the good and the bad things—in our lives for our good (Philippians 1:6, Romans 8:28).
- Patience is not focusing on or being jealous of someone whose life seems to be going great.

Share these key concepts:

- Patience is not being anxious about anything.
- Patience is praying about everything and remembering to thank God.

- When we choose to pray instead of worry about our problems, God's peace will guard our hearts and our minds, no matter what is going on in our lives.

STEP 4: Ask a volunteer from the group who studied John 14:27 to read this verse and reveal their sticky notes on the whiteboard or paper.

Share these key concepts:

- Peace is not choosing to worry or fear.
- Peace is knowing that God is with us and that He gives us His peace.

STEP 5: Read or recite this week's memory verse, 2 Thessalonians 3:16. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- God Himself is the God of peace.
- If we are to have His peace, we need to first have a relationship with Him by accepting Jesus as Savior.
- God is always with us (Isaiah 41:10). His peace is available to us all the time.

STEP 6: Remind kids that when they choose to focus on God and the truths of the Bible, they will discover patience and peace. Ask kids to look over Section 4.3 in their handbooks and to think about an area in their life in which they need more peace or patience. Encourage kids to pray silently, asking God to help them discover His patience and peace.

STEP 7: Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.

Main Lesson Activity (10 Minutes)

Option 1: Examples of Kindness

What You'll Need: Bibles, T&T handbooks, sticky notes, pens or pencils, whiteboard or poster

(Leader's Note: Larger clubs may divide into smaller groups to complete the activity.)

PREP: Write each of the following names and references on a separate sticky note: Jonathan (1 Samuel 18:1-4, 1 Samuel 20, 1 Samuel 23:16); the Good Samaritan (Luke 10:30-35); and Faithful Friends (Mark 2:2-12).

Ask three leaders to each be prepared to summarize examples of kindness and goodness from the Bible. Make three copies of this activity and give a copy to each of the three leaders. Assign one of the examples of kindness to each leader.

STEP 1: Write on the whiteboard, "A person who shows kindness will" Take the first three responses and write them on the whiteboard.

Share these key concepts:

- There are many different ways to show kindness and goodness to someone else.
- The Bible gives examples of people who showed kindness to others.

STEP 2: Read or recite this week's memory verse, Ephesians 2:10. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- We are God's created masterpiece.
- God created us to do good works. Some of those works are to be kind and to do good.
- God has a plan to work in us and through us. When we study His Word and seek to glorify Him, we will discover the good works that God wants us to do.

STEP 3: Divide kids into three groups and assign the prepared leaders to the appropriate group. Give each group a sticky note with their example of kindness, and ask the leader in each group to summarize their example.

Jonathan:

- Jonathan showed David kindness by helping David escape from Saul.
- Jonathan willingly gave up his right to be the future king because he realized that David was God's choice to be king.
- Later in life, when David was discouraged, Jonathan risked his own life to visit with David. His words offered David encouragement and hope.

The Good Samaritan:

- The Good Samaritan was a story that Jesus told to show a truth.
- Samaritans and Jews were known to not like each other.
- A Jewish man was beaten, robbed, and left for dead.
- Two religious people passed by him without helping.
- The Samaritan, a person the Jewish man would have considered to be an enemy, was the one who stopped to help. The Samaritan cared for the injured man, took him to shelter, and paid for someone to care for him until he was well.

The Faithful Friends:

- Four men wanted Jesus to heal their friend who couldn't walk. They decided to take the friend to the house where Jesus was teaching.
- The place was packed. There was no way to get the injured man inside to speak to Jesus.
- The friends carefully carried the lame man to the top of the building, tore an opening in the roof, and then lowered the lame man through the roof so that Jesus could heal him.
- Because of the friends' kindness, Jesus forgave the man's sins and healed him.

Main Lesson Activity Continued (10 Minutes)

- To be truly kind and good, we need to love God with our heart, soul, mind, and strength. We are also to love others as ourselves. Practicing kindness and goodness only happens when we have this kind of love (Luke 10:27).
- As we study God's Word and choose to follow God's plan for us, we will begin to see opportunities in our lives to show kindness and goodness (Galatians 6:10).

STEP 5: Ask kids to think of someone in their lives to whom they need to show kindness or goodness. Encourage them to write the name of that person next to their memory verse in Section 4.4 in their handbook.

Challenge the kids to ask God for an opportunity to show that person kindness or goodness this week.

Discovery of Faithfulness

Main Lesson Activity (10 Minutes)

Option 1: A Faithful King

What You'll Need: Bibles, T&T handbooks, paper, pens or pencils, 3x5 cards

(Leader's Note: Larger clubs may divide into smaller groups to complete the activity.)

PREP: Ask four leaders to read through 2 Chronicles 34 to be familiar with the story of Josiah.

Write each of the following phrases and references on a 3x5 card:

Follow God's commands (2 Chronicles 34:3-4)

Trust God (2 Chronicles 34:1-2)

Study God's Word (2 Chronicles 34:14, 21)

Choose to be faithful (2 Chronicles 34:31-33)

STEP 1: Remind kids that God wants us to be faithful.

Share these key concepts:

- The first step in discovering faithfulness is to have a relationship with Him. If we have accepted Jesus as Savior, we need to obey His commands in His Word (Deuteronomy 11:1).
- God gave us His Word, the Bible, to teach us everything we need to have a relationship with Him and to grow to be more like Him. It is our responsibility to read and study God's Word so we can know God more (2 Timothy 2:15).
- God has a plan for each of us, and He will be faithful to complete His plan for us (Philippians 1:6). We can trust that God will do what is best for us and will work out even the bad things that happen for our good (Romans 8:28).
- Being faithful is a daily choice between following God or doing what we want to do. The more we get to know Him, the easier it will be to follow Him (Psalm 119:105).

STEP 2: Divide kids into four groups and assign one of the four leaders to each group. Give each group a 3x5 card, and ask leaders to give a summary of King Josiah from 2 Chronicles 34.

Then encourage the groups to study their verses and determine how Josiah followed God's commands,

trusted God, studied God's Word, and chose to be faithful. Give each kid a sheet of paper and a pen or a pencil. Encourage them to take notes or to draw pictures about Josiah's faithfulness.

After five minutes, have groups share their findings

STEP 3: Share these key concepts:

- Josiah became king when he was eight years old. He was determined to trust God like King David, one of his ancestors (2 Chronicles 34:1-2).
- God had commanded His people to not worship any other gods (Exodus 20:3). Josiah followed God's commands and tore down the idols that the people in his country had been worshipping (2 Chronicles 34:3-4).
- When Josiah's men cleaned the temple so the people could worship God, they discovered parts of the Bible. Josiah studied them and realized that the people needed to know God's Word. He read God's Word out loud to them (2 Chronicles 34:14-30).
- King Josiah stood in front of his people and promised to faithfully follow God (2 Chronicles 34:31-33).

STEP 4: Read or recite this week's memory verse, Colossians 1:10. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- The Bible gives us everything we need to live a life that pleases God.
- Our goal should be to live our lives in a way that brings glory to God.
- We please God when we seek to bring glory to Him.
- When we are faithful to follow these steps, we will discover the right kind of attitude and we will do good works because we are growing in our knowledge and relationship with God.

STEP 5: Remind kids that God wants them to discover how to be faithful to Him, just like King Josiah.

STEP 6: Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.

STEP 1: Give each kid a copy of the handout and a pen or a pencil. Remind kids that each of them have different roles, or areas in our lives, in which they have responsibilities. Encourage them to brainstorm their roles, and write their responses on the board (e.g., child of God, son or daughter, musician, athlete, student, boy scout).

Encourage kids to write their roles ub the ovals on their handout.

STEP 2: Read or recite this week's memory verse, Colossians 1:10. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- The Bible gives us everything we need to live a life that pleases God.

- Being faithful is a daily choice between following God or doing what we want to do. The more we get to know Him, the easier it will be to follow Him (Psalm 119:105).
- Remind kids that God gave us examples of people in the Bible who were faithful to God in their roles.

STEP 4: Ask kids to write under each of their roles specific ways in which they can faithfully follow God in that role. Ask leaders to walk around the room, offering help as needed.

When kids have finished, ask them to draw lines to connect any ideas that match.

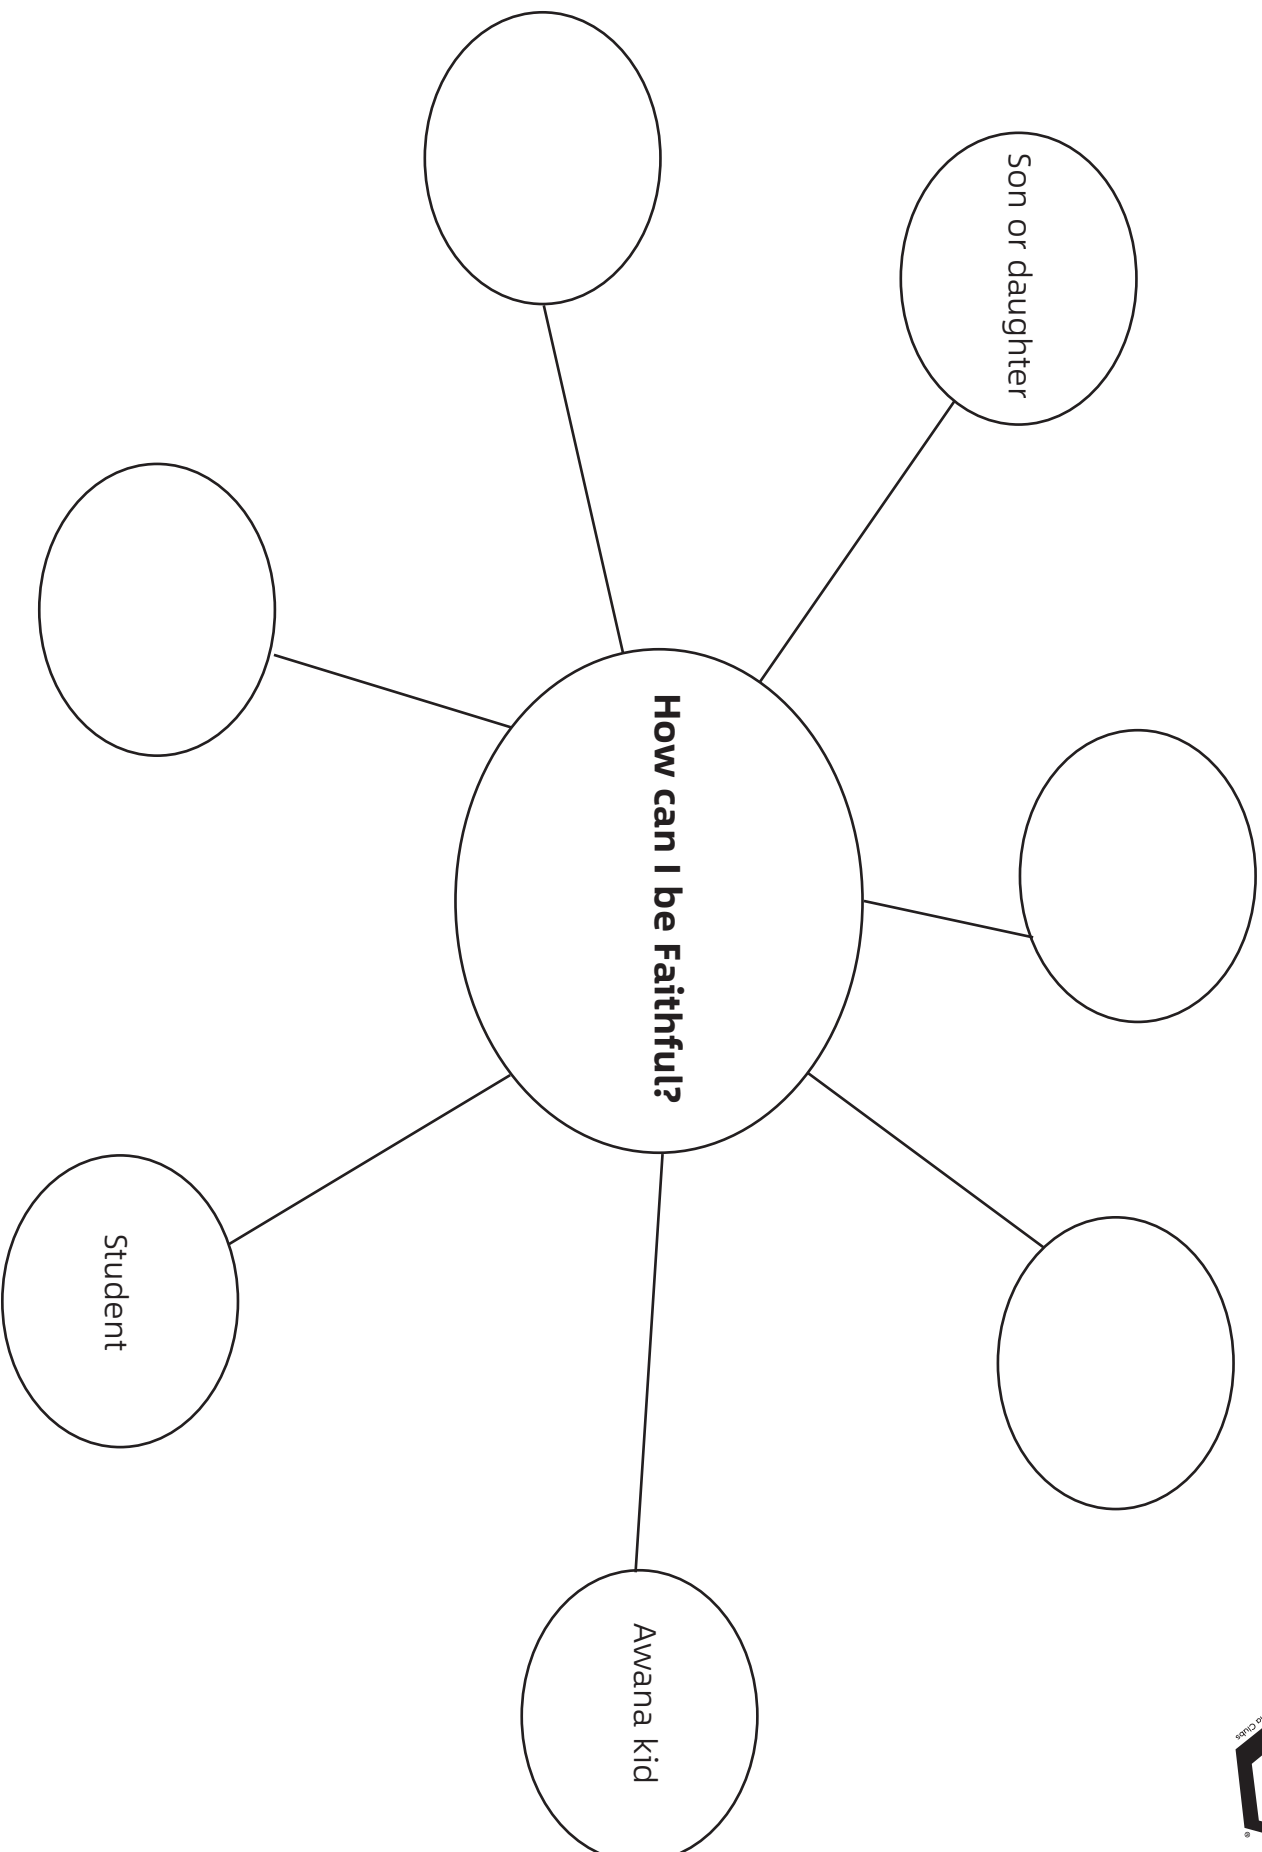

STEP 5: Share these key concepts:

- God has given you many different opportunities to faithfully follow God in your life.
- Being faithful to God is a daily choice we must make.
- Being faithful to God does not just happen when you are at church or at Awana. God wants you to faithfully follow Him in everything you do.

STEP 6: Have kids look over their handouts again. Encourage them to circle one area in which they need to work on faithfully following God.

Option 2: What Would You Do?

Notes:

What You'll Need: Nothing

PREP: Nothing

STEP 1: Give kids the following scenario:

Imagine you have not eaten in five days. Someone puts your favorite food in front of you, but he or she tells you that if you can sit in front of the delicious food for four hours without touching it, you can have anything you want for every meal for the rest of the week. But if you eat it right away, it's the only meal that you get to eat for the next five days!

Ask, "What would you do?" Allow several kids to respond.

STEP 2: Ask the following questions:

- Why would it be difficult to wait to eat for four hours?
- What would be the benefits of waiting to eat?
- How would you feel if you chose to wait to eat and had to sit there for four hours?

STEP 3: Share these key concepts:

- It is easy to become impatient and pursue something that sounds good in the present instead of waiting for something better in the future.
- Practicing self-control is never easy. It often requires us to let go of something that seems good to us and wait for something better.
- God's Word teaches us how to have gentleness and self-control.

STEP 4: Transition into the main lesson by opening in prayer, asking the Holy Spirit to help you and your kids understand the importance of discovering gentleness and self-control.

Discovery of Gentleness and Self-Control

Main Lesson Activity (10 Minutes)

Option 1: Proverbs for Gentleness and Self-Control

What You'll Need: Bibles, Proverbs for Gentleness and Self-Control Handout, pens or pencils

(Leader's Note: Larger clubs may divide into smaller groups to complete the activity.)

PREP: Print copies of the Proverbs for Gentleness and Self-Control Handout, one copy per kid. Bookmark Bibles to the following references: Proverbs 25:28, Proverbs 29:11, Proverbs 16:32, Proverbs 17:14, Proverbs 15:1.

STEP 1: Ask, "When might a kid your age lose their temper?"

STEP 2: Share these key concepts:

- Many of us might struggle with losing our temper. It shows a lack of gentleness or self-control when we lose it our temper.
- It is easy for us to lose our temper when we become frustrated or when things do not go our way.

STEP 3: Read or recite this week's memory verse, 1 Timothy 6:11. Repeat the verse a second time, pausing after each phrase.

Share these key concepts:

- We need to flee things that would tempt us to sin.
- We should pursue righteousness or godliness so that we become more like Jesus.
- We should pursue faith and steadfastness so that we grow deeper in our relationship with God and hold firmly to what we believe.
- We should pursue love so that we can love God with all of who we are and can love others above ourselves.
- We should pursue gentleness so that we can treat others as they lovingly deserve to be treated.

STEP 4: Explain that God's Word shows us the importance of discovering gentleness and self-control in our lives. Give each kid a copy of the handout and a pen or a pencil. Have kids work in pairs or groups, and assign each pair or group one of the Proverbs on the handout. Encourage pairs or groups to study their Proverb together and then draw or write a situation in which they could use this verse in their lives.

STEP 5: After four minutes, have a volunteer from each pair or group read their proverb and share what he or she wrote or drew.

Share these key concepts:

- God wants us to pursue righteousness, godliness, faith, love, steadfastness, and gentleness (1 Timothy 6:11).
- A gentle person does not allow people to treat him or her poorly; instead, that person chooses a humble and gentle attitude that does not seek revenge when treated poorly (Matthew 5:43-44).
- Having self-control means denying what our sinful nature may want to do. Instead, we choose to put God's desires or another person's needs before our own (Luke 10:27).
- One of the benefits of gentleness and self-control is the unity and peace we have with other followers of Jesus. When we choose to be gentle and self-controlled, we are an example and an encouragement to those around us (Ephesians 4:1-3).

STEP 6: Remind kids that God's Word and God's grace will help them discover gentleness and self-control in their lives. Encourage kids to take the handout home and complete it during the week.

STEP 4: Ask the second group to act out Daniel and his friend's self-control (Daniel 1).

Share these key concepts:

- Daniel and his friends were teenagers when they were taken from their home and forced to live in Babylon.
- The Babylonian leaders wanted Daniel and the other Israelite boys to become trained in the ways of their kingdom. These boys were given wonderful food and were able to live in luxurious surroundings, but their lifestyle was much different than what they grew up with.
- The Babylonian king wanted these young men to forget their old ways and to turn from worshiping the one true God.
- They were offered food that they knew was against what God wanted them to eat.
- The temptation was strong to enjoy the luxury and the good food, but Daniel and his friends chose self-control.
- They were gentle and respectful in their response, but they asked to eat only vegetables and to drink water for 10 days.
- After the 10 days, they were stronger and healthier than the other youth.
- God honored their self-control and their willingness to do what God wanted them to do instead of following what would have been easy.

STEP 5: God wants us to discover self-control and gentleness in our lives.

Share these key concepts:

Discovery of Gentleness and Self-Control

Main Lesson Activity Continued (10 Minutes)

- Having self-control means denying what our sinful nature may want to do. Instead, we choose to put God's desires or another person's needs before our own (Luke 10:27).
- One of the benefits of gentleness and self-control is the unity and peace we have with other followers of Jesus. When we choose to be gentle and self-controlled, we are an example and an encouragement to those around us (Ephesian 4:1-3).

STEP 6: Ask kids to think of one area in their lives in which they struggle with gentleness or self-control. Have them turn to Section 4.6 in their handbooks and to find one verse that they can study to help them learn gentleness and self-control. Encourage them to highlight that verse.

STEP 7: Follow up with Lesson Application questions and Sum It Up statements from the Large Group Guide.
